The Editor's column

by STUART R. PADDOCK

It is adding insult to injury to have realty taxes due the same month as the second installment of income tax.

We got a bit het up when we saw the size of our tax bill until we realized that it pays dividends.

A lot of children graduated last week from schools, made possible by the money from our realty taxes.

That's the dividend our community receives. Even if there are no voices of youngsters heard about your home, you have an investment in the youngster you meet upon the street.

You have only the small job of providing the money; no responsibility to find the teachers or the additional funds that will be needed to pay them.

Lucky is he who is not a member of a school board or saddled with a school administrative job. They are expected to stretch the tax dollar even if it snaps in their faces. And they do it "all for free."

•

There are some other taxes we would like to talk about. Municipal taxes may not appear to be very much, but it adds to the total amount we have to pay.

There is a lot of difference between the operation of a village and a school district.

It is all outgo for the schools; the municipality is a business where the business receipts pay the far greater part of the expense of operation.

It is human nature to saddle upon a municipality a lot of luxuries and it is the general public who does the saddling.

When we attend some of these board meetings and the members consider new purchases of capital equipment to provide the services the public thinks it must have, we cannot blame the village if it buys on the installment plan. Everybody is doing it—from TV's to Cadillacs.

We even pay taxes on the installment plan — paying last year's taxes this year.

After reconciling ourselves to the paying of our tax bill, the next mail brings to us personal property schedules, which reminds us that next next year's tax machinery has been started.

•

How about getting that flag out for Flag Day June 14? Mt. Prospect is popularizing the display on the nation's emblem by a house-to-house sale of flags by the Junior Chamber of Commerce and the D.A.R.

•

The Northwest Community Hospital is a 2 million dollar project. It is so big that it is taking a lot of planning, but we have it on good authority that it will not be long before an active financial campaign will be on its way.

The large attendance at the hospital benefit dinner at Brandt's Restaurant, Palatine, Monday night gives an added impetus to hospital fund raising.

•

Our dad frequently said, "If you do not blow your horn, the same will not be blown." That is our excuse this week to compliment our printing department on the fine job of printing "The Heights"—the year book of Arlington Heights High School.

It represents many hours of painstaking work on the part of a pressman who is satisfied with only the best.

•

We just realize how short this summer is going to be. Memorial Day is past; graduation ends this week; the swimming pool opens June 9; Arlington races are on the way; plans are being made for 4-H Club Fair in August.

Before we realize it, school sessions will again be with us and we have not even planned our vacation.

•

We did not always agree with the late Mrs. Leslie Grant on Arlington Heights community affairs, but we admired her fighting qualities when controversial civic matters were at stake.

She was a frequent contributor to the Fence Post. She represented a brand of civic womanhood too seldom found hereabouts.

Mrs. Grant attended a lot of village board and school board meetings and never hesitated to take a stand for what she thought was for the best interest of the public.

We salute her memory.

•

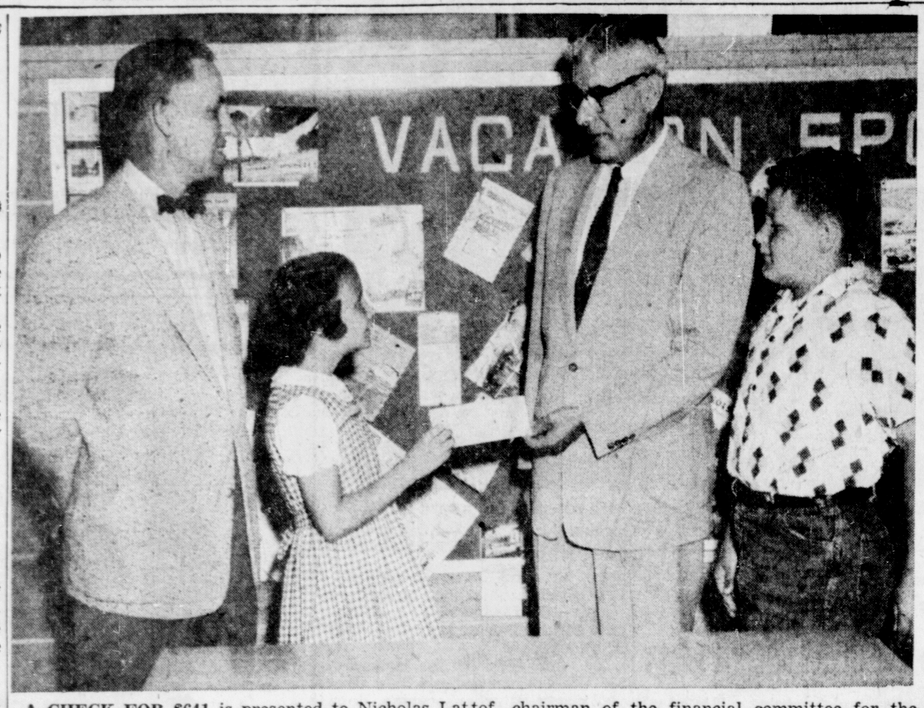
Mt. Prospect should be sitting on top of the world. That village secured its present fine depot and added train service during the time that the late Mr. Terpning, a local resident was general manager of the North Western railroad.

With the appointment of Chas. C. Shannon, 109 S. Albert st., Mt. Prospect to that position ,that burg is again in an enviable position, railroadwise.

The latest U. S. census figures released this week places the official population figure of Mt. Prospect at nearly 12,000. Arlington Heights may have a population of 19,000 but it evidently also needs a railroad official of its own before it gets some of the transportation improvements and commuter parking it needs so badly.

•

Today commuters are parking 4 blocks from Arlington Heights depot. Tomorrow property that distant from the railroad station will be almost prohibitive in price.



A CHECK FOR $641 is presented to Nicholas Lattof, chairman of the financial committee for the Northwest Community Hospital center, by Roberta Schuldt, fourth grade pupil at Ridge school, Arlington Heights. The students raised the money through school projects, including candy and rummage sales. At left is Supt. Ralph Clabaugh and at right John Atwood, also a fourth grade pupil.

Home Owners Sweat Out New Tax Bills

Bike Riders Escape Injury In Collisions With Autos

Two young Arlington bicycle riders who collided with autos during the past week escaped serious injury only because motorists were driving slowly.

James Welton, 8, of 127 Reuter, Sunday morning was struck and knocked from his bicycle at Miner and Reuter. Driver of the car was Bette Jane Guariello, 119 Reuter, who was not held.

Police measured skid marks from her car and after making a skid test of their own determined that she was going less than 20 m.p.h.

* * *

THE WELTON BOY had a front tooth pushed back into the gum from which it had recently emerged and another tooth chipped. He also received a skinned nose and leg bruises. His parents are Mr. and Mrs. Ralph Welton

Diane M. Jaques, 9, daughter of Mr. and Mrs. Arthur R. Jaques, 420 S. Belmont had 2 front teeth chipped and a knee bruised in another collision. The accident occurred in front of 529 S. Banbury Monday about 5 p.m.

Witnesses said that she and another girl on a bike rode out of a driveway into the path of a car driven by Darwin B. Blix, 52, of 530 S. Newbury, a mason contractor. Blix, going east on Banbury, had slowed as he approached a parked moving van and was nearly stopped when the Jaques girl rode out of the driveway behind the van into his car. He was not held.

* * *

A 5-YEAR-OLD GIRL, Janice Ann Driscoll, of Owen, Wis. had a tooth loosened Friday when the car in which she was riding with her mother ran into another car, driven by Julian Carlson, 72, of Round Lake, at Vail and Northwest hwy.

Mrs. Driscoll said she swerved into the inner lane to avoid a car pulling out of Vail ave.

Mystery Driver Aids Cop Chase

An unidentified motorist assisted Arlington Heights police this week by chasing and curbing a hit-and-run driver.

The motorist observed Oscar J. Gloria, 16, of Barrington, fleeing from the scene of an accident Monday at 820 E. Northwest hwy. and gave chase until he curbed Gloria's car half a mile away. Gloria had bumped into a car driven by Arthur G. Gehrke, 42, of Des Plaines, who was backing onto the highway.

* * *

GLORIA was arrested for driving without a license and fleeing from the accident.

Leo M. Schwartz, 42, of 304 W. Wing st., Arlington Heights, paid $224.80 into the village treasury this week for repair of the fire hydrant on Northwest hwy. at Chestnut that he struck May 29.

Chest Balance To Hospital

Arlington Heights Community Chest has voted to donate its entire fund of $1,592.10 to the Northwest Community Hospital center before disbanding the Chest, Henry B. Hutten, Chest president, announced today.

The donation goes into the hospital fund for the proposed Central rd. site.

* * *

HUTTEN also expressed his organization's appreciation to "everyone for their assistance to our Community Chest in the past."

Arlington Graduation Is Tonight

The 47th graduating class of Arlington high school will slowly march into the school auditorium this evening to the strains of the familiar processional.

Following the traditional invocation by the Rev. Paul L. Stumpf of the Arlington First Presbyterian church and a selection by the school A Capella choir, students, parents and friends will hear 4 student speakers.

* * *

CHOSEN after a competition among all seniors, they are Ann Carlson, Fred Steingraber, Lynn Heberling and Kay Whitelaw. Edward Rogers, president of the senior class, will introduce speakers.

Superintendent H. L. Slichenmyer will present the class of 1956 and George H. Sheppard, resident of the school board, distribute diplomas. Ceremonies begin at 8:15 p.m. and will last about an hour and a quarter.

At The Stake

The tower where Joan of Arc was held prisoner before being burned at the stake, still stands at Rouen, France.

Tight Money Puts Brake On Building

Even old Merlin of crystal ball fame couldn't predict how building statistics would slide up and down the graph in Arlington Heights this year.

At the beginning of the year the prophets were guessing that home construction would drop off. Instead it started at a fairly high level and rose even higher, to a peak of 68 homes in April.

The April figure was 62 per cent higher than for April, 1955.

BUT IN MAY Arlington Building Commissioner Fred Hammer Jr. issued only 40 home permits valued at $803,000. Two stores, 17 garages and the $80,000 fire station for the northside pushed the total up to $952,354. for the month.

This amount, however, is far under the tally for May, 1955 — $1,644,848. There were 72 homes begun that month, 32 more than in May of this year.

Hammer explained that fewer, but more expensive homes are being built this year and builders are proceeding gingerly because of the tight money market.

Burglars Snatch $100 From Lanes

Burglars climbed through a window at Arlington Heights Bowling lanes, 8 N. Vail ave., sometime late Memorial day or early Thursday and stole $100 from a cash box.

* * *

ALSO reported to police was theft of a 1939 black Ford sedan from John's service station, 506 E. Northwest hwy., between 2 and 4 p.m. Sunday. The car belonged to Lance Jahnke, 419 N. Douglas ave., Arlington Heights

Shoplifter Nabs Expensive Suit

An Arlington Heights store manager is going to be on the lookout for a girl's black bathing suit with white buttons when the Recreation park pool opens.

The suit was stolen Friday evening from the Lorraine-Anne women's wear shop, 18 W. Campbell st. The suit taken was the only one of its kind in the store and one of the most expensive, valued at $25.

The loss was not discovered until after customers left the store but police think they know who the culprits are.

Here Is Breakdown Of How Tax Dollar Is Spent Locally

The heat's on — and home owners are carrying wet handkerchiefs across warm brows.

It's not hot weather, however, that's causing the perspiration among taxpayers.

The last of the tax bills have been placed in the mails, and collection is now in progress.

For the benefit of hard-pressed home owners sweating out payment, it is some comfort to note that the children of the community receive the lion's share of tax monies.

A breakdown of 1955 taxes paid by Arlington Heights taxpayers shows that slightly more than two thirds (69 per cent) of taxes goes to support elementary and high schools.

Next largest amount is for village government, which absorbs 14.8 cents of each dollar. Tax payments to Cook county will eat up 7.07 per cent of the tax dollar, with 5 per cent more being divided up among the forest preserve, tuberculosis sanitarium and the road and bridge department. The village park district will take 4.1 per cent, for which taxpayers will get a new 26-acre South park by next summer.

A division of payments according to total tax size follows:

	Rate	If your tax is $300.00	If your tax is $400.00	If your tax is $500.00
School district 25	1.476	$118.71	$158.28	$197.85
High school district 214	1.098	88.31	117.75	147.19
Village - Arlington Heights	.552	44.40	59.20	74.00
County	.264	21.23	28.31	35.39
Arlington Heights park district	.156	12.55	16.73	20.91
Road and bridge	.04	3.22	4.29	5.36
Suburban TB sanitarium	.066	5.31	7.08	8.85
Forest preserve	.078	6.27	8.36	10.45
TOTAL	3.73	$300.00	$400.00	$500.00

* * *

LAST DATE that payment can be made for the first installment at the office of the local collector is June 30. Penalty date on the installment will be July 2.

Inquiries as to land values can be made of the local assessor. Complaints on improvement valuations can only be taken up with the county assessor.

The county office made a general increase on valuations from 8 to 20 per cent. The average home owner will find his increase about 10 per cent; some business and industrial plants show an increase approaching 20 per cent.

Additional property that has been placed on the tax books for the first time did not appreciably reduce individual tax bills, but did provide additional tax money for the taxing bodies.

* * *

IT SHOULD be realized that the 1955 taxes are based on the new quadrennial valuations which are made every 4 years. It was to be expected that the 1955 valuations should exceed those of 1951.

George Howes, Palatine collector, is doing his entire collection at the usual tax office in the Palatine Savings & Loan building.

William Annen, Wheeling Township collector is holding office hours during regular banking hours at Arlington Heights National Bank except Saturdays when he will be at the Arlington Heights village hall.

Other office hours will be June 15 and June 25 at the Wheeling State Bank and June 22 at Mt. Prospect State Bank.

ARNOLD Scharringhausen, Elk Grove collector, is holding office hours at 2 East Busse ave., Mt. Prospect.

New owners who have not received a bill should get in touch with the tax collector. Failure to receive a tax bill does not exempt them from the penalty.

There is so much overlapping of taxing bodies in the townships of Palatine, Wheeling and Elk Grove, it is difficult for the individual taxpayer to know exactly where his tax dollar goes.

Following is a breakdown of the rates of civic bodies which will get a portion of his tax bills.

Drive Saturday

The boy scouts will hold their regular paper drive Saturday, June 9, for all areas north of the Northwest highway. Papers and magazines should be securely tied or placed in cartons and set on the curb before 9 a.m. Saturday.

On special pickups call Clearbrook 3-6187 before 9 a.m. Saturday morning.

Teacher-Coach Is Named Director Of Park, Pool

Richard F. Ault, 30, a teacher and coach at Highland Park high school and director of the 1954 national AAU championship swimming meet, has been appointed director of Arlington's Recreation park pool for this summer.

Ault coached swimmers at Roosevelt high school in St. Louis from 1952 to 1955 and served a term as president of the St. Louis region of the Amateur Athletic Union as well as directing the 1954 meet.

RICHARD AULT
In 1948 he was a member of the United States track team entered in the Olympics. He is married, has 3 children and lives at 438 S. Wolf rd., Wheeling.

* * *

THE SWIMMING pool will open Saturday and remain open until September 1. Hours are 1 to 5 p.m. and 6:30 to 9:30 p.m. daily. Wading pool hours are 10 a.m. to noon and 1 to 5 pm weekdays and 1 to 5 p.m. Saturday and Sunday.

The learn-to-swim program and playground activities will begin June 18. Persons over 7 years of age who purchase season tickets may obtain swimming instruction at no additional cost by registering at the fieldhouse. Private lessons are also available at $10 for 5 half-hour lessons.

A schedule of all events in the summer recreation program will be printed next week.

Please Pay Up Promptly!

Pay your property taxes now and save the village money!

This request comes from the Arlington village board. Trustee James E. Millay said that if taxes are paid promptly, the village will receive its share of tax money sooner. Thus fewer tax anticipation warrants (on which the village pays interest) will have to be sold.

Kiwanis-Sponsored Circus Unfolds Tents Here Tuesday

Hagen Bros. 3-ring circus will roll into Arlington Heights Tuesday morning in its fourth annual visit to "the friendly town."

The caravan of 42 pieces of motorized equipment will arrive around 9 a. m., followed, you may be sure, by a band of eager-eyed youngsters. By 10, the giant trucks will be unloaded and fans may watch the animals being fed.

At 2:30 the show will go on and there will be a second performance at 8 p. m.

This will be the fourth time in Arlington for the 15-year-old troupe, which travels the continent east of the Rockies from Canada to the Gulf of Mexico. Among its four-footed cast are elephants, horses, dogs and llamas.

* * *

ONE OF THE highlights of the show to be given on Foundry rd. near Northwest hwy. are an act featuring the world's youngest animal trainer, a 15-year-old girl, and the world's largest performing elephant.

Lovers of good horse flesh will thrill to the prancing of the Hagen Bros. Liberty Horses, black and white stallions which are put through their paces by Col. Jack Banta.

The circus is being sponsored by the local Kiwanis club. Proceeds will go toward the many youth activities it assists. Ticket numbers are CLearbrook 5-4623 and CLearbrook 5-3561.

Authorize Double Sessions In Schools For Next Year Only

First graders in 2 Arlington Heights public schools and first and second graders in a third school will attend school for only half a day next year, R. E. Clabaugh, district superintendent, announced this week.

Clabaugh emphasized, however, that the double sessions at 3 schools will be needed for only 1 year, until 2 new school buildings are available in September, 1957.

North and South schools will have double sessions for first graders; Ridge will have them for both first and second grade children. Kindergarten classes will be even more crowded, with North, South and Dryden schools switching to 3 sessions daily instead of the usual 2.

Double session classes will meet for 4 hours, mornings from 8:15 to 12:15 and afternoons from 12:30 to 4:30. Three-shift kindergarten classes will begin at 8:30 and 1100 a.m. and 1:30 p.m.

* * *

PARENTS WILL be notified as to shift assignments in late August, a school official said.

Enrollments are continuing to increase rapidly. At the close of the school year in 1955, total district enrollment was 2,424. When school opened in September, it had increased to 2,702. The present enrollment stands at 2,777, and 3,135 children are expected to be on hand when the school bells ring in September.

Spring registration of next year's kindergarten class shows an increase of 141 children over the current enrollment of 473. This means that the schools will graduate 255 eighth grade students and take on 614 in kindergarten.

Billy Beese, 5, Is Sure 'Boots' Has Dog Mumps!

Five-year-old Billy Beese, who lives on Rte. 22 near Prairie View, believes his dog "Boots" is just about the finest dog there is.

A few days ago Billy came down with mumps. Boots, a 4-year-old black border collie, wouldn't stay out of Billy's room. Soon Boots began to run a fever and one morning Boots' jaw and neck were swollen as big as Billy's.

VETERINARIAN said that dogs don't catch mumps from people — dogs strictly speaking don't even have mumps. The canine equivalent is called only a swelling of the lymph glands.

But nobody's going to tell Billy these things.

Trude Tells Scarsdale Residents Of Shop Center

Plans to develop part of an 11-acre tract on S. State rd. as a shopping center were described to nearby Scarsdale residents recently.

Home builder William E. Trude of Arlington Heights said that 5 stores and a 125-car parking lot will occupy the part of the tract fronting on State rd. north of Grove. Most of the 11 acres will by Trude.

* * *

TRUDE SAID he will sell the land to be used for stores to another party who will build them. The stores will be at the rear of the commercial area, with parking in front along State.

Although lots on State are now zoned commercial, the rear lots back to Pine st. must be rezoned from residential to commercial to gain sufficient depth. At the request of the Scarsdale Property Owners association, exits from the parking area onto Pine st. have been eliminated.

The association elected the following officer-directors to serve for the 1956-57 year at the May 24 meeting held at the VFW hall: president, Russell Colvin; vice president, Albert "Bud" Dunham; treasurer, James Peery and secretary, Robert McFadin. Other directors chosen were Robert Phillips (retiring president), Richard Bardach and Richard Blaisdell. George Hoban was named corporation agent and Robert Phillips was appointed civic affairs chairman.

The largest crowd of the year gathered to honor the "founding fathers" of the association and to hear how and why it was started. Past presidents, who reminisced on the humorous side of early Scarsdale, were Otto Schwartz '37, Art Mundy '41 R. M. Beatty '42, Ken Kennedy '45, and Bob Malcolmson '47.

Fete 238 Patrol Boys At Ball Game

School patrol boys at 7 Arlington Heights schools were guests of a group of local civic organization, the police department and several businessmen for a day of baseball at Wrigley field May 31.

The 238 patrol boys saw a game between the Cubs and Milwaukee's Braves. It was the boys' reward for another year without a single accident at school crossings.

* * *

THERE HAS never been an accident in the history of the patrol, according to Sgt. Oscar Johnson of the police department.

The $310 cost of the trip paid for 5 buses, admission to the game and a half-dollar allowance to each boy. The money was contributed by the Lions club, Arlington-Prospect Heights Kiwanis club, VFW, American Legion, PTA, Grigsby-Allison co., Ed Christen and Magistrate William F. Neumann. (A

Eastwood Events

Eastwood bridge tournamenters buffet suppered, danced and did everything but play bridge at their annual banquet last Saturday night. Emcee Jack Anderson asked the Herm Rasches to climb into the winner's circle with a score of 29,170. When last seen, they were gloating over their winnings, a large silver tray. Hot on their trail were the Glenn Johnsons with 22,130 and a silver gravy boat to show for their efforts and the Homer Nielsens with 22,070, which won a silver relish tray for them. Minus silverware but honorably mentioned were the Garth Heisigs, 21,610, the Hal Barnes, 21,520, and the Foster Travises 20,450. No fools were Ken and Eunice Behm who won a silver silent butler for letting the rest of the group get more points then they did.

The tournament begins again in September an it's a wide open affair with few requirements. Must be a resident of Eastwood willing to play bridge about 7 evenings during the winter, with your spouse, and one need know only the barest minimum about bridge. The word "tournament" as applied to Eastwood bridge is a misnomer. Bridge is the cement, in this case, for a foundation of fine associations with the people in this community. Sometime before September simply contact Glenn and Grayce Johnson, CL 3-4024, to get on the schedule and set for a season's fun. If out of town or obligated as to time, substitutes for a specific evening are usually available because everyone does not play on the same night. The tournament wants and needs new faces.

Move

Until their new home in Mardan Woods is ready, the R. M. Wingquists, 309 N. Brighton, will be staying at a summer cottage at Fox Lake. Moving day is Saturday and they hope to move into their home about the end of August. Milt, Dorothy, John and Jane are going to be missed around these parts.

Recuperate

Recuperating in his home, 1003 E. Euclid, is Philip, 1½-year-old son of Hal and Hazel Carlsen, who underwent surgery in Sherman hospital last Thursday for hernia. Friends are happy to hear Philip is doing fine.

Return

Returning Sunday to their home, 721 N. Beverley, were Mr. and Mrs. F. D. Barrick and children, Margaret and Dickie, who spent 6 days in Chesterville, Ohio visiting Del and Betty's parents, Mr. and Mrs. R. Bar-

Too Much Sympathy And Help Hinder The Child

Speaking before the Northwest Suburban Unit of the Community Child Guidance Centers Sunday afternoon at village hall, Dr. Harold Mosak, Chicago psychologist, stressed the fact that we cannot function as a democracy unless we have "respect for the worth and dignity of the individual."

Dr. Mosak pointed out that people are not quite sure what democracy means and have the idea that democracy means everyone has a voice, everyone has an equal vote and that everyone can do as he pleases. This is not true, he explains, either in a democratic society or in a democratic home. Democracy in the family means "we respect the dignity and worth of the individual — we feel everyone has equal worth and dignity."

Parents should learn to differentiate between the deed and the doer, according to Dr. Mosak. He illustrated this point by saying that too often when a child does something bad we say he is bad. This inference is not correct. We should tell the child, "I like you but I don't like what you did," suggested Dr. Mosak.

"Not doing for children what children can do for themselves" is important, he went on, as too much sympathy, pity and help hinder the child. "The child should be inwardly motivated and should learn from the consequences of not doing" instead of the old method of reward and punishment, according to Dr. Mosak. Parents who do children's home work for them, he pointed out, show little respect for the child and "in many instances are more interested in marks than in the child."

Dr. Mosak continued, "In a democratic family the child is told what he is doing well" — the positive is accentuated. "If a human being has worth there must be something worth while about him." He illustrated this point by saying that if you want to help a poor reader give him a feeling of worth by finding something that he does well, praise it thereby winning his confidence and showing him you respect his right as a individual. Consequently, teaching him to read will be much easier. Dr. Mosak advocated scoring school papers with a C for correct, focusing on things that make the child feel worthwhile, instead of the popular method of marking all the incorrect answers.

"Permission to be imperfect" is is an important part of democratic family living, Dr. Mosak insisted, and we must accept the right of others to be imperfect and we must learn to respect other people's values.

"In a democratic society, we operate in a certain way," he pointed out, "permission with limits." Parents have the "right" to say "no," he said, and, in fact, must set limits for their children. Children who do not know the limits, he concluded, are anxious children because they know that "eventually the ax will fall" and the constant pressure of "waiting" for the inevitable causes anxiety.

Dr. Mosak, a graduate of the University of Chicago and a faculty member of Roosevelt college, was introduced by Mrs. G. D. Soltz ,president of the local unit of the Community Child Guidance Centers.

Pesty Locust Back Again, Absent Here Since 1939 Trek

The 17-year locust is with us again.

It's last visit was in 1939.

Since then they have retreated to their sleeping quarters, and now after 17 years, they are awakening.

Who counts off the 17 years nobody knows, but the pesky creatures make it on time.

Noel Wysong, chief forester of the forest preserve district, this week released scientific comment on them, their life, their activities, and their slumber.

* * *

THE PERIODICAL cicada is often called the 17-year locust. During the next 5 or 6 weeks these insects will be present in great numbers on trees and shrubs in woodlands, orchards and even ornamental plantings around private homes.

The damage they cause to plants results from their egg-laying activities rather than from feeding. The female cuts deep, splintery slits in small twigs and branches, and deposits her eggs in these cuts. Often the leaves wither and the branch dies beyond the slit bark and splintered wood.

Young, recently planted trees, especially fruit varieties, may be injured severely. Mature trees seldom, if ever, suffer permanent harm although in areas of heavy infestation almost every branch tip may be killed.

IN COMMENTING on the situation in the forest preserve district, Daniel Ryan, president of the board of forest preserve commissioners said, "Temporary damage undoubtedly will be widespread this year, as it was in 1939 when the last infestation occurred in this area. The trees recovered from that attack; it is expected that they will survive this infestation equally well."

No satisfactory method of controlling cicadas is known.

In the U.S.D.A. leaflet No. 340 "The Periodical Cicada," it is stated that the insecticide TEPP is effective if brought into direct contact with the insect.

It is not effective after the spray has dried; hence, repeated applications are necessary to check the infestation. Moreover, this material is poisonous.

U.S.D.A. scientists warn that serious illness or even death may result if it is swallowed, inhaled or absorbed through the skin.

Ryan said this material would not be used in the forest preserve district.

* * *

SMALL FRUIT TREES such as apple, peach and pear, and ornamental shrubs can be protected from cicadas by covering with cheesecloth or similar open mesh material during the few weeks while the insects are present.

More detailed information on this insect can be obtained by writing the Superintendent of Documents, U. S. Government Printing Office, Washington 25, D. C., and requesting the Leaflet mentioned above.

New Veterans' Office For Benefits

Effective June 11, new claims from widows and children of deceased veterans for government life insurance, compensation, pension, and burial allowances will be handled by the veterans administration regional office, 2030 W. Taylor st., Chicago.

These death claims were formerly handled by the St. Paul, Minn., VA District office. Robert D. Beer, VA's regional manager for Illinois, said the decentralization will give Illinois and the 3-county Indiana widows and children of deceased veterans local one-stop VA service such as is now available to living veterans.

Mr. Beer mphasized that the decentralization will apply only to new death claims. It will not apply to "running awards" — cases in which VA already is paying benefits. The "running awards" and the inactive cases — those in which VA is not making any payments — will remain in the St. Paul district office. (WUS

Seven Palatine Teens, Teachers Trek Northward

Seven Palatine high school students and their American history teacher, Burton Showers, left Tuesday on a 15,000 mile trip to Alaska and the Arctic Circle.

For days the group has been making ready their Chevrolet panel truck, converted into a station wagon, for the trip. The boys have been working every day and night for the last week at Showers home to get ready for the great adventure ahead of them.

Boys making the trip are Douglas Schubert, Dave Shaw, Conrad Hanson, Bob Breyer, Curtis Lewin, Jordan Hodgson, and Noel Anderson. Showers, known to young and old alike in Palatine as "Sarge," has taken three previous trips to the Northwest with groups of boys. The group will be gone 6 weeks.

* * *

A RACK on top of the truck carries an extra gas tank, sleeping bags, a tent and personal gear. A trailer carries a good supply of canned goods. Meat will be purchased along the way.

They hoped to reach Minneapolis the first day and travel north west from there to the Alcan highway.

Points on the trip are Edmonton, Fairbanks, Mt. McKinley, Arctic Circle, Anchorage, Juneau, Seward, Skagway and Dawson. On the return trip Jasper Park, Lake Louise, Banff, Glacier Park, and the Black Hills will be visited. The group will sleep out during the entire trip.

* * *

SHOWERS' hobby is making 3-D slides of his trips which he uses in giving travel lectures. During the past two years he has appeared before numerous civic and club groups with his extensive library of colored slides. Showers has taught at Palatine high for the past 6 years and is one of the most popular and respected members of the faculty.

He is sponsor of the student council and advisor to the junior class. He holds an M.A. degree from the University of Wisconsin in American history.

Showers lives with his mother at 244 N. Hale st., Palatine. (B7

LAST WEEK'S HEADLINES

Resume of front page news that appeared in various editions of Paddock Publications and other newspapers of the area that will keep readers informed on headline news of their neighbors.

WHEELING

Latest development in Wheeling's confused school site situation is another offer to sell the board a site by builder Earl E. Herzog. He has offered a 15-acre site adjacent to Dunhurst to the district for $2,500 an acre. The board now must select 1 of 3 sites for its new school.

ARLINGTON HEIGHTS

Accusations of unethical conduct on the part of 2 engineering firms brought to a stalemate a county zoning hearing involving the village of Arlington Heights and Wilson school district. Rezoning of 200 acres of unincorporated farmland between Thomas st. and Palatine rd. to allow construction of 575 homes has been sought by a builder and is being opposed by the school district and the village. The hearing stalled on motions to strike from the record testimony given by engineers. One of the firms was charged with revealing material acquired through work done for the builder and the other with contracting with the builder (Trendel, Lowe & Associates) while a previous contract was still in force.

ROLLING MEADOWS

On youth government day Saturday, 5 teen-agers took over the reins of government in Rolling Meadows.

Rolling Meadows' Kimball Hill school graduated its first class of 36.

PALATINE

The village board passes an ordinance restricting the burning of paper and prohibiting the burning of rubbish.

MT. PROSPECT

Wille st. between Central rd. and Northwest hwy. will be rezoned for business if the village zoning board grants the pleas of property owners along the street.

DES PLAINES

Former Des Plaines Building Inspector Terrence Fitzpatrick will be ordered before a grand jury investigating charges that he solicited money for inspecting buildings. He has denied the charge.

According to the Suburban Times a multi-million dollar shopping center will go up on the southwest corner of Milwaukee and Golf rds. Plans call for a Sears Roebuck store in the center.

Stratton Veto Of Smut Bill Spurred 'Decency' Crusaders

by CHARLES HAYES

The "Decency Crusade," a mild form of censorship which had provoked little more than an occasional raised eye brow, recently became a major source of controversy in northwest suburbs.

Comment in suburban newspapers has stimulated discussion on the merits and dismerits of the housewives' campaign to edit reading matter on suburban newstands and in school and public libraries.

Somewhat bewildered by the "fussin' and fumin'" is attractive Rachel Johnson of 2602 Rohlwing rd., Rolling Meadows. She's chairman of the "Decency Crusade" in the northwest area.

* * *

CRITICS of the ladies' campaign base their opposition on these points:

—the censorship is a violation of the bill of rights;

—it is illegal and based on "vigilante" ethics;

—its blanket censorship is sweeping up recognized writers of social problems as well as illicit literature and pornography; and

—the crusaders are, in effect, teling the public what they can and cannot read.

Defending the "Decency Crusade," Mrs. Johnson this week recounted the movement's background.

* * *

DURING THE LAST session of the state legislature, the Council of Catholic Women endeavored to have a law passed which would adequately protect young people against objectionable literature.

With the approval of Monsignor Fitzgerald, representing all Dioceses in the Province of Illinois, the legislature passed a bill. It was vetoed by Gov. Stratton on the advice of the attorney general.

"Within the state of Illinois, magazines and pocket-size books depicting sex, perversion, detailed crime and brutality can be sold to our children without the slightest fear of punishment," declared the council.

Thus the reviewing committee of the National Organization of Decent iLterature launched a campaign to remove objectionable literature from public outlets accessible to children.

The N.O.D.L. was established in 1938 by the Catholic hierarchy of the United States.

Its purpose was "to organize and set in motion the moral forces of the entire country against the lascivious type of literature which threatens the moral, social and national life of the country."

In no sense, declared the Catholic Hierarchy, is N.O.D.L. a Catholic movement. It was, and is, merely a service organization set up to organize and supply information to all interested groups, explained the bishops.

* * *

HERE'S HOW the reviewing is accomplished:

Comic books are reviewed every 6 months by a committee of mothers. The number of these mothers total approximately 150. They are divided into groups of 5 each, a chairman is appointed who receives a specified number of comic books, both good and bad. Each of the members must read each of the comic books and cast an individual vote on whether or not the book is acceptable, borderline, or objectionable according to the N.O.D.L. code.

Magazines are reviewed once a year by this same committee of mothers. This reviewing is done by individuals, not committees.

This same procedure is followed in the case of pocket-size books, except that the original reviewer in most cases is a college graduate.

* * *

"DECENCY Crusade" workers in the northwest suburbs include Miss Matilda Welinske and Mrs. E. F. Amann of Arlington Heights; Mrs. John Littwin and Mrs. Louise Gaspers of Des Plaines; Mrs. Lawrence Johnson of Mount Prospect; Mrs. Kenneth Roman of Northbrook; Mrs. C. Richard Potter of Northfield; and Mrs. D. J. Briel of Palatine.

League Of Women Voters Finishes Book On Village

Ninety members of the League of Women Voters of Arlington Heights, with the cooperation of more than 20 public officials, have published a booklet, "Presenting Arlington Heights," which contains basic data on governmental structure, voting, history, and community facilities.

According to league president, Mrs. Fredric Marks, 520 N. Mitchell, completion of a community survey was one of the steps in gaining recognition for the league from the national board of the League of Women Voters.

The survey, to which every member contributed, is designed to help members know their community and to provide background material for future study and action in the community.

* * *

HEADING the project was Mrs. Stephen Jurco of Arlington Heights with Mrs. Robert J. Kieckhefer Jr. of Arlington Heights and Mrs. Joel R. Paulson of Palatine, serving as co-editors.

The editorial committee also included Mrs. Edwin Bragdon, assistant editor; Miss Jane Mahin and Mrs. Gerald M. Chapman all of Arlington Heights; Mrs. O. E. Brown and Mrs. Charles Houchins both of Mount Prospect; Mrs. Carl Naffz and Mrs. Hiram Whitcomb both of Palatine.

Board members advising the project are Mrs. Marks and Mrs. John R. Hoppe, both of Mount Prospect and Mrs. Reino Bergstrom of Arlington Heights. Research chairmen are Mrs. Henry Wallace, Mrs. Chester Moore, Miss Jane Mahin, Miss Marian Pope, Mrs. Edward Carlisle, Mrs. R. E. Clabaugh, Mrs. John Crawford, Mrs. Bernard Clark, Mrs. Robert Malmsten, the Elms and Mrs. John Vork all of Arlington Heights.

Plan Half Million Dollar Mausoleum For Cemetery

An architect is now drawing plans for a $500,000 marble and granite mausoleum for Rand Hill Park cemetery, an official of the firm announced this week.

Disclosure of the plans was made by Jerome J. Greenberg, executive vice president and one of a group of leading Chicago business and professional men who purchased the cemetery 9 months ago.

He added that the total cost of the expansion plans initiated under the new management will amount to more than $1 million. Over the next 5 years 50 acres within the cemetery's 100-acre grounds will be developed with access roads and plantings.

All 11 sections are being enlarged and numerous features are being added.

* * *

GREENBERG SAID that plans are under way to make Rand Hill Park the "Forest Lawn of Illinois."

Among the sections are those of the Lutheran and Evangelical and Reformed churches, a Masonic section and a "Garden of Peace" section. A bronze relief bust of Martin Luther on a granite is being put up in the "Garden of Martin Luther" and on Memorial day a plaque in memory of deceased veterans was dedicated by the Arlington Heights American Legion post. The Martin Luther shaft will be dedicated in September.

At the edge of Lake Willowmere stands a granite relief of a group of figures depicting "Humanity." It won a prize at a sculpture exhibition in Paris before it was purchased for the park.

The new management has resodded many graves and revised regulations providing for placement of flowers in approved containers. Also, memorials are to be restricted to ground level stones.

* * *

A BRICK AND concrete administration building is under construction and will be completed within a few months, according to Greenberg.

The cemetery is thought to be the first in the nation to initiate a plan whereby churches may undertake sale of plots and receive 10 per cent of the receipts. Greenberg said that the first $1,000 check was recently given to Immanuel Lutheran church of Palatine.

Greenberg said that the offer remains open to all churches in the area.

Future plans call for an Easter sunrise service at the cemetery. There would be ample parking for such a service, Caretaker Joe Theobald pointed out, as roads are wide enough to allow parking on each side. Theobald has been caretaker for 22 years.

Future Homes 4-H Reports On Meetings

Members of Future Homes 4-H club toured a bakery in Arlington Heights May 21. Members were shown through the shop where they watched the baker work. They were amazed by the quickness and accuracy of the baker.

The group held a meeting May 28 at the home of Susan Horbus, who gave a demonstration on how to make Coffee Cake. Judy Kessler demonstrated putting in a zipper; Susan Kappa, dress manufacturing and Mary Kaiser on planning wardrobes. Mrs. N. Foss, club leader, showed the girls how to cap a sleeve. Refreshments were served and games played after the meeting.

May 14 the club met at the home of Carolyn Bleichroth. At this meeting Mrs. Foss told club members of "Share the Fun Night" results and explained judging. Judy Kessler distributed and explained pamphlets from the Toni Co. and Sharon De Palma gave a talk on bicycle safety. Lois Von Bergen talked on meal planning.

Vern Krause is the club's candidate for 1956 4-H queen. (4-H

THE MAILMAN'S CORNER

BY LELAND ELLIS TRUXELL

What is time? Man's measurement of eternity, and a constant reminder of the finate nature of everything about him.

Man created clocks, almanacs and calenders to serve him, and by them he has been enslaved. For who can think for long about the wonders of eternity when his thoughts are absorbed with the immediate necessity of watching the clock on the wall, measuring the seconds and minutes and hours of his life, ordering him to hurry, hurry, hurry home to the wife, back to the time clock, to church, to school? Necessary as our measurement of time is it also restricts us fro the realization that man was created for eternity. No more untruthful words were spoken than the ones "Eat, drink and be merry, for tomarrow, we may die." Actually, there is no tomorrow, no death to the soul. It is eternal as God is eternal.

* * *

A MAN NEEDS to get away from time clocks for a while, to loose himself in the contemplation of eternity, rather than the fear of time. He needs to get away from 60 miles an hour in his car, the seven thirty TV program, work at eight, the lodge on Wednesday night, the owman's club at 2:30 p.m., other men and other districtions; to loose himself from conformity with time and place and to lose himself in comtemplation of infinity—for only while alone and undistracted can man come close to individuality in thought and closer to unity with that of which he is a part, eternity.

Trouble is, too many of us are afraid of our own thoughts. They are, indeed, dangerous; for when we start to ask ourselves what is eternal goodness, what is eternal life, what is God really like, what do we think of Christ, we find ourselves hopelessly lost, often frightened, see our own littleness, our weakness, and our ego hastens us back into the world again where thoughts and actions are made to order and we do not need to think about ourselves or God.

Sixteen Suburb Boys To Colorado For YMCA Tour

Sixteen northwest suburban youths will leave Saturday on a 10 day YMCA Caravan trip to Colorado. The boys will travel in station wagons driven by leaders Clarence Tomsheck and Al Calli. Northwest Suburban YMCA is the sponsor.

This relatively new type of camping appeals to those boys who have already had a day camp and resident camp experience, and desire a new type of camping activity. The boys range from 13 to 18.

On the trip the boys will cook their own meals and sleep in tents at state and national parks along the way. Periodic stops at historical and other points of interest are scheduled.

Highlights of the trip while in Colorado include a one-day pack horse trip, a chuck wagon dinner, visits to the Garden of the Gods, Cripple Creek, Lookout mountain, Pikes Peak, the Continental Divide, Air Force academy, and a cable car trip and others.

Sings CYO Benefit At St. Mary's

Joni James, lovely singing star of TV and radio, will highlight the entertainment at the K. of C. - C.Y.O. Youth Benefit Ball at the Chicago Stadium on Wednesday evening, June 13.

Joni, whose recordings of "Why Dou't You Believe Me," "Your Cheatin' Heart" and "Have You Heard" sold more than a million copies each, will make this appearance for the benefit of needy boys and girls in the C.Y.O. program her first guest show, directly following her engagement on Ed Sullivan's Toast of the Town show June 10. Steel Shortage Holds Up School Construction

A shortage of steel for construction is holding up work on the new Miner st. school for Arlington Heights.

A school official said this week that plans for the school are complete and some excavation has been done at the site but that steel is in short supply. Erection of the framework may not get under way until mid-July.

Westgate elementary school, the second school slated to open in September, 1957, is now on the drawing boards. It will be designed as a 6-room school with a small office area. It will be expandable, however, to 18 more classrooms if the need arises.

OTHER BUILDING projects authorized by the voters in January are well under way. The new general administration wing adjacent to the junior high will be completed by fall. It will make space available for an additional room for the mentally handicapped.

The difficult job of teacher procurement is nearly done and it appears that all needed teachers will be hired by fall.

The board has authorized the employment of 9 additional teachers in kindergarten through 5th grades, an additional nurse, a teacher for the second room for the mentally handicapped and a teacher who will work half time at the junior high school and help lower grade teachers with art projects the other half day.

Family Service And Church Picnic For St. John Sunday

Sunday, June 10, at 10 a.m., St. John Evangelical and Reformed church, N. Evergreen and St. James, Arlington Heights, will have a family service marking the nation-wide and interdenominational observance of Children's day.

This family service will combine worship and church school program. Nursery and kindergarten pupils will go to their meeting places and come in with a children's processional. Primary department and the children's choir will also participate in the service and childcare for the smallest children will be provided. Pastor J. G. Meiners will preach a short sermon for all ages.

Sunday will also be the congregation's annual picnic in Scharringhausen Grove. An old-fashioned picinc dinner at noon will start the activities. Coffee, red hots, pop, ice cream and candy will be available in the refreshment stand.

Games and contests of children and youth will be from 1:30 to 3 p.m. Games and stunts for adults will be at 3 p.m. in charge of the church's men's cub. A softball game will attract interest at 3:30 p.m. and a family supper will conclude the day at 5:30 p.m. Motion pictures will be taken at the picnic and shown at a fall family night. Anyone interested in more information about the picnic may call Myron Kuhlman at CLearbrook 3-5285.

This Sunday will began registration for vacation Bible school to be conducted at the church August 20 through August 30. All children 4 and older at that time are invited. The Rev. J. G. Meiners will direct the program and the all-Bible course, "Champions for Christ," will be used. Further information can be obtained by calling CLearbrook 3-5285 or 3-5274.

St. John church is being represented at the conference of the North Illinois synod of the Evangelical and Reformed church which began at Elmhurst college Tuesday and continues through Thursday. The synod is comprised of 135 churches in the Chicago area and in the northern part of Illinois.

Participating in the representative assembly from the local church, in addition to the pastor, is the lay delegate, Miss Edith Hooker, who will report to the congregation on the conference June 17.

The speed of the modern ELECTRIC ranges!

Soup's on in 65 seconds! With this new Hotpoint it's easy to serve steaming-hot soup for 4, in little more than a minute. This is typical of the speed of modern electric ranges.

25% faster than 5 years ago . . .

today—nothing cooks faster!

Built-in Rotisserie. With Hotpoint's Roto-Grill you'll turn out roasts, fowl, seafood that's crackling-brown outside, moist and tender inside. Skewer turns automatically.

Probably no electrical appliance made has undergone more rapid or more remarkable advances than today's electric range.

Newly designed and improved surface units have moved from the laboratory to the kitchen as quickly as they were proven. And engineers have found better ways to transform electrical energy into high heat—swiftly, economically, and with a greater degree of cooking control.

But the speed of modern electric ranges is only *one* of the reasons you'll like cooking electrically. It will keep your kitchen an average of 10 degrees cooler (even when the oven's on for hours). And, there just isn't any cleaner way to cook.

The new electric ranges come in a rainbow assortment of colors as well as white. They offer many "new idea" features like—built-in ovens, rotisseries, deep-well cookers . . . even automatically controlled surface units. So if you plan to build, buy or remodel your home, find out how little it costs to own a really modern, automatic electric range.

Big Saving—We Pay Part of Your Range Installation Cost!

Need new wiring to install your electric range? We share the cost with qualified home owners in 1, 2 and 3-family dwellings. This can cut your expense by about half.

And you get more than a money saving!

The modern wiring that goes with your installation helps improve your TV picture, brightens lights, makes everything electrical work better. You can also install a 240-volt electric dryer, water heater or air conditioner quickly and cheaply. The Share-the-Cost Plan is available on terms of up to 2 years.

Poor Water Tank! Nobody Wants The Elevated Orphan

The neighborhood around Oakton and Ridge doesn't want the proposed elevated tank for the Arlington water system any more than did Virginia Terrace.

A petition containing 170 signatures of neighborhood residents opposing erection of a tank on Ridge just north of Oakton was presented to the village board Tuesday night.

Village trustees told a large group of the petitioners that the "overall good of the community" must be the deciding factor but the visitors remained opposed to the tower.

* * *

STANLEY A. BERGSTROM, 1007 N. Walnut, speaking for the petitioners, said the tank would lower property values and be unsightly. His side wanted the tank to be put on a possible site south of the Chicago North Western railway tracks opposite the roller rink, despite engineer's testimony that for highest water pressures, a tank should be located farther from the center of town.

Several weeks ago petition-laden Virginia Terrace residents defeated an attempt to locate a tank in their subdivision. Referring to the proposed site opposite the rink, Trustee Frederick A. Weber observed:

"Don't you think we'll get as many signatures on a petition from over there?"

The water committee will study the matter further.

* * *

ON OTHER MATTERS the village board:

—Accepted the resignation of Henry H. Moehling, 314 N. Pine,, from the police and fire commission and approved the appointment of Dr. J. A. Cousins, 818 W. Campbell.

—Heard a representative of the police department warn them that some policemen may be forced to quit unless salaries are raised by more than the $240 a year proposed in the next budget. Police committee chairman Hoover "regretfully" said the $240 raise would stand.

—Awarded a $5,812 contract for plumbing on the new fire station to Raymond O. Wilke of Arlington Heights.

—Sold an old army truck for $56.

Round 'n About Westgate

This is the last chance to remind residents of the street dance scheduled for Saturday, June 9. The affair should be a gala one as all details have been carefully worked out to perfection, and the entire social committee has really been giving a lot of time to this first association function. The dance will be held on St. James pl. between Miner and the park entrance and will start at 8:30 p.m. There will be a sound system for dance music and contests. Members are asked to walk to the dance as there will be no place to park without blocking the street and driveways. Care should also be taken so as not to abuse the new lawns in the area of the dance. Refuse cans will be available for all kinds of litter and will make it a lot easier on the cleanup squad. Volunteers are still needed to help the day of the dance and also for the day after to help in cleaning up any debris. Volunteers are urged to call Andy Graczyk oat CL 5-0551 for details. Here's hoping all Westgate residents will be at the dance to make the association's first social event a success.

To Gail Collins who became 4 May 29. May 31 a party was held in her honor with 8 little friends helping her celebrate at a luncheon. Gail is the daughter of Jean and Ray Collins, 1604 Fremont.

A birthday luncheon was given by Marty Nicol, 407 Wilke, for Pat Nelson, 1601 St. James, Friday, June 1. Guests at the celebration were Dorothy Stokes, Eleanor DeZonna and Elaine Hoppe.

A family birthday party was given for Karol Graczyk last Sunday. Guests at the dinner were Mr. and Mrs. E. Haracz Jr., Mr. and Mrs. E. Haracz Sr., Mr. and Mrs. A. Graczyk Sr. of Chicago and Dr. and Mrs. J. Piekos of Elmwood Park, along with 6 of Karol's cousins. Karol is the daughter of Bert and Andy Graczyk, 1417 Fremont.

Dan Love, 23 Reuter, will receive his degree of master of science in Electrical engineering from the Illinois Institute of Technology, Chicago, Friday, June 8. He completed his studies in night school while working for Panellit, Inc. in Skokie. Dan and Henrietta have 4 children, Amy, 5, Jimmy, 4, Jerry, 2, and Kevin, 8 months.

Now that the stray dogs and dogs running at loose situation is well in hand, it seems another problem has arisen. Owners of dogs report children opening gates to enclosed porches and letting the dogs out, and others of dogs being left off their leashes and mistreated. Parents are asked to cooperate and keep their children away from dogs other than their own. Mistreatment to dogs will certainly lead to some child being bitten and blame reverting to the owner of the dog.

Future salesman is Mike Granis, 1500 W. Fremont. Mike came in sixth in the recent Arlington Heights Little League sticker selling contest. As a reward for super salesmanship, Mike will receive an official Little League baseball bat.

Neighbors of the William Sittigs of Yale ave. were sorry to see them leave Westgate. The family moved last Wednesday to their new home in Glencoe.

Betty Lou Townsend, 1517 Fremont, wishes to thank neighbors who attended the white elephant sale and the plastic demonstration which benefited the Orchard school in Skokie for the mentally retarded. Proceeds amounted to $150 from the sale and demonstration and provided a portion of the funds to furnish a therapeutic playground at the school for the younger children. Betty Lou was chairman of the orphanage committee in connection with the Arlington Heights Junior Women's club.

Linda Nicol, 7½-year-old daughter of Marty and Bob, 407 Wilke, fell off a slide this past week and fractured her left elbow. This is the third time Linda has injured this arm. She is a little woeful these days, with her arm in a cast, as she has a new bicycle she hasn't had the opportunity to ride and with the coming swimming season. Friends are hoping for a speedy recovery.

Jimmy Welton, 9-year-old son of Ann and Ralph, 127 Reuter, had an accident with is bicycle last Sunday after careful scrutiny, the final damages were a bruised nose and a chipped tooth, which is only normal for a boy that age.

A trip to Waverly, Iowa over the Memorial day weekend was taken by Elaine and Dick Hoppe, 319 Wilke. The occasion was to attend the graduation from Wartburg college of one of Elaine's brothers. The Hoppes then drove on to Edgewood, Iowa to visit another brother.

Leaving their husbands, children and chores behind them over the weekend were Caroline Burkett, 1405 Euclid, and Louise Smith, 1515 Euclid. Caroliine and Louise visited Louise's mother, Mrs. Edith Lobb of Oak Park, Mich., a suburb of Detroit. The girls took time to spend a day shopping in Detroit during their visit.

Jean and Ray Collins, 1604 W. Fremont, and 2 of their 4 children, returned recently from a visit to Hendersonville, N. C. They had a pleasant visit with Jean's mother, Mrs. F. J. Cousins.

Sympathy is extended to Walter and Lillian Krueger, 14 Yale, on the death of Walter's father, Walter Krueger Sr. died May 31 after a long illness. The Kruegers wish to thank their many Westgate neighbors who were so thoughtful during the past week. Charles Krueger of Palo Alto, Calif. Edward Krueger of Wynnewood, Pa. and Mrs. Margaret Krueger Rohrer are still here in Arlington visiting with the Kruegers.

Announcing the arrival of their daughter are Tina and Dan Hegyan, 1504 W. Fremont. The new youngster made her appearance June 4 in Resurrection hospital, Chicago, and weighted 7 pounds 13 ounces at birth. She has two sisters, Francine, 4, and Marla, almost 2, waiting to greet her. Grandparents are Mr. and Mrs. Dwight S. Masters of Rolling Hills, Cal. and Joseph Hegyan Sr. of Detroit.

Dwight Dawes, 1601 Euclid, can surely tell Westgate neighbors a whopper of a story about a fish that changed hands up in Madison, Wis. Dwight and Eleanor and their 3 children were visiting Mrs. Dawes' mother, Mrs. Bert Studebaker, over the weekend. He took his 3 children and a 6 pound test line to Lake Monona and began casting. Suddenly he knew the thrill of a big strike. For 2 hours and 40 minutes he fought his fish, partly from the shore and finally from a borrowed boat. A crowd of 400 witnessed the battle including an ambulance and its crew which was evidently called by someone who thought there had been a drowning. Dwight finally landed a 47 inch lake sturgeon which weighed 28 pounds, but which the newspapers reported weighed 45 pounds. Before the cheering crowd had subsided a game warden took the fish away. The season on lake sturgeon doesn't open until September. Dawes only comment was "Boy, am I tired!" The experience caused quite a bit of anxiety to Eleanor who was worried as to the length of time her family had been gone and upon hearing of ambulances and police being down at the lake, thought the worst had happened. It is questiionable as to whether she will let Dwight go fishing in September.

Forest View School

There will be an open house this Friday from 7:30 to 9:30 p.m. for the boys and girls and Mrs. Mailfold will be there to teach square dancing.

There will be a combined meeting for both adults and children Friday, June 15. It will start at 7:30 p.m. due to the nomination and election of a junior chairman, which will be done first. A planned program will follow after the meeting.

Patty Ayres, a bluebird, was among those who participated in the council fire held May 20. Patty's name was omitted in the previous item concerning this event.

Forest View eighth grade graduation exercises were held in the school last Friday. Herbert Zilmer, Des Plaines, gave a most interesting and impressive talk on "Education for Today's World." Thanks are extended to Mr. Zilmer for coming, thus making the program more enjoyable.

Graduates and Ronald Sundblad and Billy Sundblad presented a skit entitled "Princess Tonedeffia."

Thanks are also extended to Mrs. Miller for all of her time and effort put into making this program possible, to all the children who participated, to Mrs. Sam Lawson for being accompanist and choir director, to W. H. Grismer Jr. for presenting the diplomas and to Mrs. Robert Currier and Mrs. Shirley Smital for the flower arrangements on the stage and in the lobby. A repeat of the graduating class of 1956, they are Pat Burditt, Joyce Tapper, Sharon Luczak, Ronald Anderson and Kurt Molenkamp.

A reminder to all mothers of children who will be entering school in September of the tea being held for them at the school Friday, June 8, from 2:30 to 3:30 p.m. Physical and dental forms will be given out at this time. Mothers are asked to bring birth certificates also.

A breakfast was given in honor of the eighth grade graduates Monday by the sixth and seventh grade pupils with the assistance of their teacher, Mrs. Miller, preparing the meal. Mrs. Lawson and Mrs. Conkling were also guests.

Mr. and Mrs. C. W. Burton of Potomac, Ill., grandparents of Jimmy Burton came to see him graduate from St. Peter Lutheran kindergarten June 1. Others graduating from this area were Carol Grismer and Gary Bartelts.

Mr. and Mrs. Joe Warfsman traveled to Indianapolis for the races Memorial day. They were joined by Mrs. Warfsman's brother and sister-in-law, Mr. and Mrs. R. W. Lingenfelter of Kansas City, Mo.

Mrs. Warfsman's other brother, Dean Lingenfelter, and Joe Cosgrave arrived here Wednesday after a journey up the Chicago river from Alton, Ill. in a cruiser.

Mrs. William Whitelaw spent a week visiting her parents, Mr. and Mrs. Brianzoni in Cleveland. Upon her return Mr. Whitelaw's mother arrived from California to spend a week with them.

Mr. and Mrs. Gary Johnson entertained with a picnic Memorial day. Attending were Mr. and Mrs. W. H. Leonard, Mr. and Mrs. Kolthoff and daughters from Glenview and Mr. and Mrs. R. Pierini and son from Milwaukee.

Hank Herout took a fishing trip to Big Bay Debac in Wisconsin. Although he caught fish, he also caught a touch of pneumonia, but is recovering very well.

Mr. and Mrs. William Marchetti had their son, Robert William, christened Sunday in Chicago. Mr. and Mrs. Willis sponsored the child.

Mrs. Walter Shipp and daughter spent a week visiting her parents in Indianapolis.

Mrs. Bowen entertained Mrs. James Salisbury, Mrs. Leo Becker, Mrs. Joe Warfsman, Mrs. Lewis Sylvester and Mrs. William Marchette Friday evening for a card party.

May Lee Bengson took her confirmation at St. Mary church in Des Plaines. Her sister, Juday, was her sponsor.

Mr. and Mrs. Robert Schaffer spent Memorial day at Towers lake visiting friends. Their son, Bobby, had his first experience fishing and succeeded with a catch of 15 fish.

Extra Value At Jewel — Extra Value At Jewel — Extra Value At Jewel — Extra Value At Jewel — Extra Value At Jewel — You can do better at Jewel

HERE'S WHY YOUR JEWEL IS ALWAYS SO....

Clean 'n White...

Jewel Food Stores

BECAUSE CLEANLINESS AND FOOD SHOULD JUST NATURALLY BE TOGETHER . . . we know keeping Jewel stores sparkling clean is one of our most important jobs in serving you better.

Shelves, floors, walls, ceilings, meat cases and the many other things you don't even see (we get in all the corners) . . . are scrubbed on a regular schedule. No "stale milk odors" when you open a Jewel dairy case — it's scrubbed regularly.

Since the very first clean 'n white Jewel opened in 1932, we're proud of the reputation we've earned and work hard at keeping — it's nice to be identified as "that CLEAN & WHITE JEWEL." These words come naturally to Jewel customers and they will to you too, after just one visit to your nearest clean 'n white Jewel.

Arlington Terrace News

Good luck is wished to the Wilbur Cordes family, who moved from 1001 N. Hickory to California.

In Hospital

John Irmen, 1005 N. Douglas, entered Swedish Covenant hospital, Chicago, May 31. Friends and neighbors wish him a speedy recovery.

Mrs. Herbert Reif, 817 N. Douglas, was hostess for the monthly get-together of the ladies of the 900-1000 block on Douglas June 1. Dessert and coffee was served to 11 guests after a social evening.

Mr. and Mrs. Ralph Elwart, 1013 N. Douglas, attended Mrs. Elwart's 10-year class reunion from St. Gregory high school at a dinner dance Saturday evening in Chicago.

Members of St. James cub scout pack 266 and their families held their annual picnic Sunday from 12 to 4 at Camp Baden Powell. This was the last get-together of the cub scouts for the summer. Separate baseball games for the mothers, fathers and boys were enjoyed by all.

Roger Johnson, son of the Min Johnsons, 925 N. Douglas, who is with the navy and stationed at Great Lakes, spent his second 12-hour leave June 3 with his parents and visited friends. Roger brought a buddy, Thomas Coyle of Cleveland, Ohio, home for the day.

Sunday dinner guests in the home of Mr. and Mrs. Bruce Spink, 1010 N. Douglas, were Mrs. Spink's mother, Mrs. William Berkley Sr., and brother and sister-in-law, Mr. and Mrs. William Berkley, of Baraboo, Wis.

Mrs. Donald Buchholz and daughter, Kathy, of St. Paul are visiting her sister and family, Mr. and Mrs. William Corts, 1017 N. Hickory, this week.

New Neighbors

Welcome to new neighbors, Mr. and Mrs. Leon Nolte, who recently moved to their home at 910 N. Hickory from Mt. Prospect. Mr. Nolte works at the post office in Mt. Prospect. Mrs. Nolte's first name is Pat.

New to Arlington Terrace, but not to Arlington Heights, are Mr. and Mrs. Norman Falkanger Jr. and sons, Billy, 3, and Scott, 1, 1001 N. Hickory. They formerly lived at 803 N. Pine. Mrs. Falkanger's first name is Lee. Mr. Falkanger is part owner of a real estate business in Palatine, Falkanger and Kohl.

Birthdays

Celebrating his 14th birthday May 26 was George Cole Jr., 909 N. Douglas. A barbecue luncheon was held in his back yard for 8 classmates, after which his guests enjoyed an afternoon of bowling.

Barbara Hofer, 913 N. Douglas, celebrated her fifth birthday May 27. Her maternal grandmother, aunts, uncles and cousins were on hand to wish a happy birthday.

An afternoon birthday party was held in Barbara Hofer's honor May 29. Guests were Barbara Haag, Mickey Herr, Peggy Elgas, Chrissy Greene, Mimi Camin, Peggy Wunderle, Jeff Guttenberger, Emmett Quill, Warren Johns, Bobby Pruyn, her cousins, Susan and Hal Schramm of Deerfield, and her younger sisters, Sherrill and Kathleen. Games were played and the 2 winners for dropping clothes pins in a bottle were Peggy Wunderle and Emmett Quill. The group enjoyed eating their cake and ice cream outdoors.

When it comes to Protection ...it pays to have the BEST

Once you have bailed out, there's no chance to go back for a better parachute if the first one fails to open.

Dependable insurance is like that, too. It's one thing you can't get when you need it most. After an accident or loss has occurred, it's *too late* to buy *better insurance* if the policy you have proves unsatisfactory.

So don't gamble with "cheap" insurance. Buy only the BEST — and buy it today.

Arlington Pupils Aid NW Hospital

"Learning to be good citizens" is the theme of the Arlington Heights public elementary schools' hospital drive.

The children, with every class participating, made a total of $641.24 to help finance the new hospital. They conducted a large variety of projects, including a rummage sale, pop corn and candy sales, amateur shows, book and toy sales, style shows, a circus, and a hobby show.

* * *

RIDGE SCHOOL had a rummage sale. The children made many advertising posters, signs, and even sandwich boards, to entice customers to buy their wares. All the items were donated by the children from their own possessions. Also, they were encouraged to earn the money with which they made purchases at the sale.

At the junior high school, the eighth grade sponsored an after school dance. The teachers put on a faculty volleyball game, and the winners played the student intramural volleyball champions. The 6th and 7th grades donated the balance left in their class treasury.

The South, Dryden, and North schools' classes each had several special projects. Dryden school had a toy and book sale; South school had several shows; North school had candy and pop corn scales.

The school faculty believes that participation in a fund drive for such a worthy cause is one of the best ways to teach good community living. (A

IT'S SWITCHCRAFT

— that's what it is!

You'll see when you try Buick's new Variable Pitch Dynaflow!

IT TAKES a new word to describe the magic at your command when you drive a '56 Buick — with the newest transmission of them all.

It's full power go-ahead on the instant. You can get where you were just looking in a shaved second's time — with the most modern and most thrilling surge of safety acceleration in the land today.

It's smoothness, too. *Complete* freedom from the "bump" and lag of gears shifting. Only with Dynaflow can you go winging away with so smooth a sweep.

And only with a '56 Buick can you enjoy Dynaflow's newest marvel. It's something the engineers call "double regeneration." Lets you start off like an Olympic sprinter, with the pedal pressed just an inch or less. (And driving that way, you get better gas mileage.)

There's more big news, too, that goes with this new Buick magic. And that covers a lot more than styling.

Sure — you'll like the graceful new beauty of the V-shaped prow and sweep-ahead look. And you'll like the extra room inside.

But as you drive you'll find that this Buick responds with the new might of a big, record-powered V8 engine of 322-cubic-inch heft.

It handles easy as butter to a warm knife. Tracks the curves like a plane on the beam. Makes any road seem paved with pillows.

And what's responsible for all this are more new engineering advances than Buick has ever made in one model year.

So why not come in and see — and feel — the difference they make? You'll soon know why owners find it's the best Buick yet — and the best buy yet, by far.

**New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.*

Elk Grove News

The spring concert by the Elk Grove school band was given June 1. The band was assisted by the third grade tonette band and vocal selections by the fourth and fifth grades. It was made possible by Milton V. Case, director of music at Elk Grove. The program included a cornet solo, "Two Pals," by John Mollenkamp, a flute solo, "Spring Song," by Dierra Kreider and a saxaphone solo, "Over the Waves," by Kenneth Anderson. The concert ended with "America," the band, voices of fourth and fifth graders and the audience participating.

A mother and daughter tea, with fashion show and school talent, was held May 18. Mothers of junior high girls were invited and each junior girl modeled clothes she made in home economics class this year. Garments modeled included skirts, blouses and pajamas. The talent show was given by the girls with songs sung, instruments played and dances given. Refreshments were enjoyed afterwards.

The girls' baseball team at Elk Grove had its first game with St. Peter's May 22. St. Peter's won with a score 9-6.

A boys' baseball game was played against St. James at Elk Grove May 24. Elk Grove won, 15-2.

The pre-school class of Elk Grove had graduation exercises at 11 a.m. June 1. The mothers attended.

Mrs. Allison's fourth grade room took a field trip to the Elk Grove forest preserve June 5. The trip was in connection with their studies about nature.

Reminders

School closes at noon June 8.

The all-school picnic, sponsored by the Mothers' club, will be held Sunday at the extreme south portion of Elk Grove forest preserve.

Personals

Leonard Scharringhausen suffered severe bruises when the front wheel of a truck passed over both legs while at work May 26. He was taken to Sherman hospital, where it was ascertained that no bones were broken, but was obliged to remain for treatment of the painful injuries.

John Cappitelli made his confirmation May 29 in St. Alexis Catholic church, Bensenville. He took his first communion May 20.

Michael Mortenson and his parents had Michael's aunt, uncle and grandparents for a visit. They arrived May 31 and stayed 3 or 4 days.

Kenneth O'Gorman of Elk Grove will come home June 12 from his first year at the University of Miami.

June 3 at 2 a.m. a fishing party started for a spot on Pistakee bay. Walter Gates, his sons, David, Walter, Robert and Tommy, and friends, Bill and Tom Dickson, were those who went.

Arlene Nelson was given 2 parties because of her birthday May 30. To one she invited relatives and to the other some of her friends, Sarah Carter, Donna Pasvogel, Alice Miller, Diane Linneweh and Karen Anderson, were invited.

Sunday, May 27, a girl, Barbara Lee, was born to Mr. and Mrs. John Rogowski. Her brother is Robert Rogowski of the second grade.

Roy Mollenkamp and his parents moved to Palatine May 28.

Frank DuFour and family went to Indianapolis for the Memorial day holiday.

Jimmy Malanik was 6 May 27 and Mike Highlowe and Betty Schulze were both 11 June 3.

The first and second graders of Elk Grove went to Brookfield zoo June 1 and enjoyed it very much.

St. Peter Graduation Is Friday

A class of 43 will receive their diplomas Friday evening in the auditorium of St. Peter Lutheran activity building. Four of the graduation class will talk on "We Need You." They are Robert Stephan, Ralph Perricone, Andrea Berg and Diana Schroeder.

The children's choir will sing 2 numbers. Diplomas will be awarded by Walter Landmeier, chairman of the Board of Christian Education.

St. James Has Record Class Of 104 To Receive Diplomas

Graduation events for 104 who attend St. James Catholic school open June 10 with a dinner dance to be held in the basement of the school. It will be open to parents and graduates.

The graduation service followed by benediction, will be held Monday with Father Stier addressing the graduates. Assisting will be Father Reicher and Father Nicola.

A communion breakfast will be served Tuesday morning, June 12, following the 9 o'clock mass.

A new 8 room addition to the school is now under construction. It is expected to be completed in time for the opening of school in September.

Stanley C. Stephan Graduates From Concordia College

STANLEY C. STEPHAN

Stanley C. Stephan, son of Rev. and Mrs. L. V. Stephan of St. Peter Lutheran church, Arlington Heights, was graduated June 6 from Concordia college in Milwaukee. He was an honor student during the 6 years at the college and was a member of the Concordia male chorus.

Stephan was feted at the Aquarama in May, the college's spring-water show in the new indoor swimming pool. He will now enter Concordia seminary in St. Louis to complete 4 more years of advanced study in preparation for the Lutheran ministry. (A

Missionary to Tell Of 5 Slain By Auca Indians

Arlington Heights Evangelic a l Free church will hear Mrs. Kathryn Hawthorne Sunday evening. Mrs. Hawthorne was at the jungle mission in Ecuador when the news came through of the murder of the 5 missionaries by the savage Auca Indians.

Just returned from Ecuador, Mrs. Hawthorne will tell of the courage and fortitude displayed by widows of the slain missionaries and the effect of the tragedy upon the natives and those who came to help. She is representing the famous Gospel Radio Station in Quito, Ecuador.

Prior to Mrs. Hawthrone's present responsibility, she was a missionary to Sumatra, and later captured by the Japanese during World War II. She was in a concentration camp for nearly four years and weighed less than 53 pounds before being released.

Everyone is invited to hear Mrs. Hawthorne Sunday, June 10, at 7 p.m. in the church, 404 N. Dunton at St. James, Arlington Heights. (A

DAR Observes Flag Day June 14

June 14 at 1 p.m., Eli Skinner chapter of DAR will meet with the Park Ridge chapter, for luncheon at Plentywood Farm, Bensenville. The program will honor the flag of the United States of America. All citizens are asked to display the colors on that day.

The flag of the United States of America is the oldest national flag in existence. Authorized by the Continental Congress June 14, 1777, the flag first flew over Ft. Stanwyx, now Rome, New York, during an attack by the British August 3, 1777. Flag was hastily constructed from the white shirts of soldiers, the red petticoat of a soldier's wife, and the blue cloak of Captain Abraham Swartwout.

Every child is familiar with the story of the "Star Spangled Banner," written on board the Minden during the bombardment of Ft. McHenry. Not so familiar is the story of the name, "Old Glory." The man who gave our flag this name was Captain Stephen Driver who sailed from Salem, Mass. He loved the flag so much that he himself became known as "Old Glory Driver." During the war between the States, Captain Driver, with his own hands, quilted the flag of his ship into his bed comforter, to prevent its seizure. The original "Old Glory" is now in the Essex Institute in Salem. (AMP

Card Sports Teams Had 173-107 Record During Year

KICKIN' IT AROUND

by Bob Paddock

TRIPLE THREAT is a term often used, but rarely more aptly applied than in the case of John Sujack, one of Arlington's best athletes of all time. John is graduating this year after completing a top season in football, basketball and baseball, a year in which John received all-league and all-state honors on the gridiron, all-conference in basketball and again all-league in baseball. He is believed to be the first Heights athlete to be accorded these honors in 3 different sports, and certainly stood out as one of the best all-round competitors in recent years.

John Sujack

It was in football that John gained the most attention. He was rated most outstanding player in the league, acclaimed by some coaches the best back of all time in the WSC. John excelled as a triple threat on offense, was a devastating tackler on defense, plus a good pass defender.

John was high scorer for the Cardinal basketball team with 193 points in league games, was a good ball handler, had a good outside shot and was a capable driver.

When spring came 'round it was the pitchers' mound for John. He posted a 4-3 won-loss record with a league earned run average of 1.98 against him. Batting average was .267. But even more important than his statistical endeavors, John "is a fine boy with whom to work, takes direction readily, and is well poised." Those are the words of 1 of the coaches working with him 7 months of the year.

Whether John will actually enroll in college, he's had many opportunities, or go into professional baseball, remains to be seen. He once favored Auburn, but that school has since been put on probation. John could undoubtedly make a career for himself in organized baseball, starting in Class D with proper direction, and possibly reaching the majors in 5 years.

CHICAGO CARDINALS football club, which will play an intrasquad game at Arlington Heights in August, has announced a 534 pound signing of 260 Tony Pasquesi and 274 Lawrence Williams . . . Pasquesi has had a knee operation since his injury in the Giants game last fall . . . Earning a frosh wrestling numeral at Purdue was Larry Wheeler of Palatine . . . Sidelight on the "A" club banquet topic at Heights is that, of 165 named to scholastic all-conference teams a majority of them are majoring in engineering, going on to medical school, etc., not majoring in physical education . . . To be selected all 165 had to be first-stringers on the various teams.

We were wrong when we said Dave Schimmel set a new record in the hurdles of the West Suburban league meet . . . Unusually high winds that day prevented acceptance of any records established on the straightaway.

This was announced at the start of the meet, with 3 record-breaking performances disallowed.. . Schimmel, by the way, was named winner of the annual track award of the Creamer cup as "most outstanding track athlete as voted by his teammates" . . . Bob Busse was named honorary track captain . . . Other spring sports captains named for the past season included Mike Spinello and Wayne Rolfs in golf, outfielder Ron Ashley in baseball and Tom Hoder and Jim Mott in tennis . . . Most valuable titles at Maine were given to John Perrill in baseball, Hubert Hommer in track, Hugh Czerwonky in tennis and Frank Huss in golf . . . When Hinsdale golf mentor Poppenhager predicted in early April that Arlington linksmen were favored to take the state, we didn't give him enough credit . . . Cardinals, sure enough, won the state . . . Now he says "toss-up between Downers Grove and Hinsdale next year."

* * *

WEST SUBURBAN NEWS from Grinnell college includes a raft of former athletes in the WSC, all of whom have completed spring sports. Bruce Wilkerson of Prospect Heights, Arlington grad, was a member of freshman track team in shot, discus and javelin. Bruce gained points in several meets, and was awarded a frosh numeral. Dart Rinefort of Glenbard was Grinnell's No. 1 pole vaulter, taking 2 firsts and 2 seconds as a sophomore, but not placing in the conference meet won by Grinnell.

Ron Prater of LaGrange won 8 of 9 tennis matches, alternating between Nos. 4 and 5 singles. He took second in No. 4 spot in league meet, is a senior.

George Drake of LaGrange was named most valuable in track, copped 440 conference title, place third in 880, anchored mile relay team. Foster Rinefort of Glenbard was a member of the indoor track team, running the mile relay, but a pulled muscle kept him out of outdoor competition. Bill McCormac of York, Grif Pritchard of Arlington, John Roberts of Hinsdale and Jim Palmer of LaGrange were all listed in advance spring sports lists, but did not compete during the season.

* * *

TOM LIVINGSTON of Arlington Heights has been awarded a swimming safety medal at Iowa Wesleyan . . . When Arlington high golfers recently edged Waukegan it was the first dual loss of the season for the north shore school . . . When Glenbard recently nipped York in baseball it was the second time in 22 games the Bards have accomplished that feat . . . Figures can lie . . . When Illinois and Northwestern recently met in a track dual for the first time in 15 years, each school won 7 events, but the Illini won the meet, 80-50 . . . Bob McKown was 1 of the record setting winners in the pole vault that went 12-2 . . . Lee Meyer of LaGrange was named to prep football, magazine's all-American high school grid squad.

On the golf squad at Illinois this spring was Jack Voyda of Riverside . . . He's only a sophomore, but has been taking his share of honors.

West Rockford's Nolden Gentry turned down an offer to tour South America while playing basketball because it would prevent his ever playing in the Big Ten . . . Then there's the California high school pole vaulter who has jumped 14½ . . . Barrington's frosh-soph 9 had 8 frosh starters this year . . . Among those receiving track letters at Illinois was Bob McKown of LaGrange . . . Golf letterman was John Voyda of Riverside.

Fencing managers letter was given to Charles Thompson of Palatine . . . Frosh football numeral was given to Don Fenner of Ela-Vernon.

Other frosh numerals at Illinois went to Dale McDyer and Ralph Stephens of Maine in swimming, Bob Klaus of Grant, Bill Barr of Downers Grove and Bruce Stalker of Ela-Vernon in baseball . . . A baseball team of varsity and freshmen athletes at Illinois will play a series of 40 baseball games throughout the state during the summer . . . Paul Richards terms Yogi Berra "after 7th inning when runs count the most . . . most dangerous batter that ever lived."

Lions Edge VFW

The Lions edged the VFW in Mount Prospect Little League opener 3-1 Memorial day.

On the mound for the winners was Palmer, who permitted 6 hits but only 1 run scored in the fifth. Palmer made amends, however, by garnering the only 2 hits for the Lions, and tallied 1 of the 3 runs.

The Lions scored once in the second, then twice more in the seventh.

Redwings Lead League; Kolskis This Sunday

Arlington Heights Redwings semipro baseball team won their fourth straight game Sunday by trouncing the Worth AC's 11-3 at Recreation Park. This followed on the heels of a tremendous 13-inning 1-0 win over the Skokie Indians Memorial Day.

By virtue of these victories the Redwings are in first place all by themselves in the very tough Greater Chicago Semi-pro League. After dropping the opener to the Kolskis, the Redwings swept the next 4 games, 3 in a row by shutouts. Sensational pitching and a great defensive infield make this current Redwing club the talk of the league and many old-timers say this is the finest team ever fielded in Arlington.

* * *

JOKER JOE JANKERS of Bensenville again showed that he rates with the very best pitchers by stopping the tough Skokie Indians cold in the 13-inning thriller. The Indians got only one hit in the entire game and that hasn't happened to them in the last 30 years if ever. The fine play of both teams was a thrill to behold and one fan sitting next to manager Bud Blumenthal's wife got up and left in the 12th inning because he "couldn't stand the excitement any more". The word is getting around about the fine games and the fans are coming out in increasing numbers.

Redwings started to hit Sunday and victims of this uprising were the Worth AC who watched helplessly as Tony Esposito, great Redwing shortstop, hit a tremendous home run far out in left center field. He could have walked around the bases. Tony's play at short is as fine as can be seen anywhere. He has a great future in baseball and may make a career of it. John Troppina blasted another homer and Esposito got a triple and a single in addition to his big blow.

* * *

MOST OF THE Redwings can really run and are terrorizing the opposition with the threat of stolen bases. All are accomplished sliders and several vicious slides have blasted the opponents into errors that meant runs and victories. The Kolskis play the same type of game and have an exceptional pitcher in Marty Saban who had a 15-8 record recently in class B professional ball. Dick Bokelmann who threw two of the shut-outs will try to even the score and get revenge for the lone defeat this year.

Saturday night the Redwings travel to Racine, Wisconsin for a game under the lights. The contest will be played at Horlick's Field at 7:30 standard time or 8:30 our time. Fans will surely enjoy watching the Redwings battle under these conditions against a top team. The park is beautiful and the Racine team was probably the best the Redwings played last season.

Arlington Jr. Legion 9 To Open Play Friday

by RANDY THOMAS

With the toughest schedule ever slated for the local American Junior Legion Baseball Team, the 1956 edition of the Arlington Heights Poole Fords will launch their campaign Friday night against the powerful Oak Park Huskies at Oak Park, then return to Arlington to play host to the same club in the home opener Saturday afternoon at 3:00 p. m. at Recreation park.

Oak Park, with 8 boys returning from a potent high school squad of this year which finished in the first division of a tough Suburban League, should provide a real test for the young, but experienced local nine who will be seeking revenge for the double defeat administered by the Huskies a year ago.

* * *

ON OTHER HAND, the Poole Fords have 11 boys back from a strong club of 1955 that saw them take second place in the Cook county finals to terminate an 18 won, 7 lost, and 2 tied season against formidible opposition.

Returning for Merle Guild Post 208 is the complete infield of 1955, which comprises Jerry Klement at first, Larry Webber at second, Denny Thill at short, and Pat Brownell at third. Ed Meinken, who caught in 25 games last year and Dick Nickelsen who appeared in 7 are the 2 catchers listed on the team. Included on the reserve sheet of '55, but certain to see action this season are infielders, Alan Hutchinson, Lee Magnuson and Bill Fischer.

* * *

LAST, BUT certainly not least, and very definitely 2 contributing factors for the fine showing of last year's team and much of which the burden for a successful '56 campaign will rest on the talents of 2 all-West Suburban picks Dan Vittum and Al Smeby. Vittum, an outfielder who possesses a strong throwing arm, hit .270 in 29 games last year and performed his best under pressure, while Smeby, a fast-balling righthander compiled a 5-3 mark and posted a nifty 1.96 earned run average in 49 2/3 innings, striking out 53.

He twirled 3 complete games last year, but looked his best in relief. Al, along with shortstop Thill and newcomers Bob Miller and John Oberg will form the "big four," which will be counted upon for the majority of the victories.

* * *

THREE OTHERS yet to be named will complete the 16 man roster which must be in to league officials by June 14, 5 games after the season opens, which will give coach Lloyd Meyer plenty of time for close speculation. Meyer is back at the helm after a 2 year vacation with the army. Older residents of Arlington will recall him piloting the 1951, 1952, and the very successful club of 1953 when he led the boys to the finals of the Cook County Playoffs before getting knocked off by Berwyn. At that time Bob Miller, now with the Detroit Tigers pitched for the aforementioned team.

The complete schedule follows:

Friday, June 8, Oak Park there 6:00 p.m.

Saturday, June 9, Oak Park here 2:45 p.m.

Tuesday, June 10, Elmwood Park there 6:00 p.m.

Wednesday, June 11, Palatine here 6:00 p.m.

Thursday, June 12, Park Ridge "B" Maine Twp. high school 6:00 p.m.

Saturday, June 16, Berwyn here 3:00 p.m.

Sunday, June 17 River Grove here 6:00 p.m.

Wednesday, June 20, Park Ridge "A" here 6:00 p.m.

Thursday, June 21, Northlake there 6:00 p.m.

Saturday, June 23, Winnetka here 3:00 p.m.

Tuesday, June 26, Portage Park there 6:00 p.m.

Thursday, June 28, Elmwood Park here 6:00 p.m.

Friday, June 29, Palatine there game.

Kenny Dougan In No-Hitter For Indians In Pony League

Kenny Dougan's arm made history in Arlington Heights Pony league Monday night when he twirled the Indians to a 9-0 no-hitter over the Phillies.

Ken fanned 13 in the 5 inning game, permitting just 2 flies to the outfield. The Indians are currently tied with Browns and Phillies for first place. Standings in an adjoining column are as of Saturday, June 2, and do not include the no-hitter.

* * *

THE INDIANS whipped Redlegs in a 5-inning game on the high school field, 3-1, with winning pitcher Snell and losing hurler Brodnan both striking out 12 batters. Redlegs scored in the fourth, but Indians came back with 3 runs in the fifth to ice the contest.

Vittum To Head 'A' Club Next Year

Dan Vittum has been named president of the "A" club at Arlington Heights high school, with Jim Hoffman serving as vice president, Dean Skadberg secretary-treasurer and Ed Meinken sergeant-at-arms.

The trip was named by club members at the annual banquet in the high school cafeteria Thursday night.

Featured speaker of the evening was James Lee of Arlington Heights, who works with all the major sports conferences in naming scholastic all-conference and all-American teams. Lee spoke on scholastic achievement in athletics. (Sp

Sox Trim Yanks, Cubs Maul Braves In Pony League At Mt. Prospect

by BETTY KIRCHHOFF

The VFW Sox opened the Mount Prospect Pony league season in their usual style Memorial day by whipping the Yankees, 9-4, at Lions Park.

Fred Peterson started on the mound for the Sox but was constantly in trouble. He was relieved by George Bork in the third. George was credited with the win. Jeff Kobi was charged with the loss.

The victors hit the Yankees with a barrage of 9 singles and received 8 free passes, which all helps.

IN THE SECOND game of the season Saturday the Cubs defeated the Braves 12-3 behind Gene Dahlquist's excellent twirling. Gene gave up just 5 hits in his first Pony league start, walked 5 and fanned 13.

His teammates did their share by coming through with 12 runs on 14 hits. Big inning was the first when the Cubs tallied 4 runs on 3 singles and a double by Bob Voigt.

When the Braves tallied 3 in the very first round it looked as though they were going to give Dahlquist a rough time, but he straightened out and allowed just 4 runners to pass first base the rest of the contest.

Wildcat Coach Speaks

ARA PARSEGHIAN

Ara Parseghian, youngest head coach in the Big Ten, was guest speaker Wednesday evening at the father and son banquet at Arlington Heights Methodist church Wednesday.

At 32 he is the youngest head coach in the Big Ten. He came to the NU campus after a brilliant 5 year career at Miami of Ohio where his teams won 39 games, lost 6 and tied 1.

His 1955 team scored 226 points against 47 on its way to an undefeated season and the Mid-America championship. The Redskins under Parseghian beat the Wildcats of Northwestern 25-14 in 1954.

Many Honors To Heights Boys In 9 Sports

The curtain has dropped on another year of sports at Arlington Heights high school with a record of 173 victories, 107 losses and 3 ties now a matter of record.

Varsity and frosh-soph golf, gymnastics, frosh-soph track and frosh football were the bright lights of the year, percentage-wise, though other sports brought just as many smiles as they indicated improvement in won-loss records over previous seasons.

* * *

THE GOLFERS won 32 of 33 matches, including district and state titles. In addition both conference championships were taken, to the tune of 4 trophies in all. Varsity lost only to Waukegan 8-7, then gained revenge 8½-6½ for the north shore school's only loss. Frosh-sophs had a perfect record.

Mike Spinello and Bob McDonald were conference medalists. McDonald tied Wayne Rolfs for district medalist honors with Wayne losing the playoff. John Murray was medalist in conference frosh-soph competition.

* * *

TRACK REVIVAL included an unexpectedly good 4-2 varsity dual record, and a perfect 7-0 frosh-soph mark. Two squads won both divisions of North Shore invitational meet, plus 6 awards at Hinsdale Relays, 8 trophies in all.

In addition, 7 boys qualified for state finals, including Dennis Striegel in shot, Lew Green discus, Bill Palmer high jump, Bob Lockwood and Bob Busse in 220, Ed Wilson pole vault and Dave Schimmel low hurdles. Striegel took third, Palmer second. Four days later Schimmel set a new conference record in low hurdles.

Weightmen copped 19 points in both divisions of conference meet, an outstanding achievement. Scoring were Weber 9, Striegel 5, Green 4, Hoffman 1. Three boys, Striegel, Palmer and Schimmel were named to Paddock Publications all-state track team for consistent good performances during the season.

* * *

BASEBALL was looking up, too, as Arlington finished third in the well balanced league, then rated 4 of the 12 positions on the all-league team, including John Sujack, Bob Getts, Ron Ashley and Dan Vittum.

Gymnastics team had a perfect 9-0 dual record, then tightened and lost the state tournament title. Bob Hawk was state long horse champ. In wrestling varsity record was not up to what it has been, but the 12-3 frosh-soph dual record gives a bright outlook for the future. Three Heights boys, Ralph Carlino, Ed Beier and Gerry Bonn all wrestled downstate with Carlino copping third 103.

FOOTBALL picture was good at Arlington, with the Cardinals finishing in a 3-way tie for second in the league. Three boys were named all-conference, including John Sujack, Wayne Malzahn and Bob Harrington. Sujack won all-state honors.

In cross country Bill Palmer qualified for the state meet, finished 22nd, will be back next fall. Varsity basketball record was anything but good, though the regional championship made up for a lot of those close losses. Sujack was named all-league.

Improvement in tennis was also noted during the year. Heights netmen have a long haul ahead of them in this sport, but larger turnout and better spirit maong the frosh-sophs indicate better days to come. (Sp

MAC SAYS

by G. A. McElroy

AVERY CLOSE two team Northwest conference baseball race ended Friday with the Grayslake Rams coached by Paul Subject and the Glenbrook Spartans tutored by Bob Watts deadlocked 11-3 for the championship. Justice was served by the season ending in a tie. We think Glenbrook had the better balance and better hitting team over the season and one of the best pitchers in Bill Lutz. We feel Grayslake did more with the material at hand than any group in the league and certainly had the best battery in Gale Peregrin, who hurled all 11 victories, and Denny Hunziker, his timely hitting receiver.

Grayslake lost the opener to Antioch and thereafter faltered only once when postponed games came on successive days and forced limiting the pitching of Peregrin. Coach Subject elected to use him part of each game gambling to win them both. Instead both were lost but the Rams roared back and toppled the rest of the field including Glenbrook to tie for the top spot. It was Grayslake's third in a row. In 1954 they tied with Antioch for first place and last season took it undisputed. In 1954 Jay Hook pitched them to the title much as Peregrin did this year. Last season they had fair hurling and a murderous hitting team which was challenged only by Grant.

★ ★ ★

THERE CAN BE LITTLE opposition to placing Bill Lutz on an all-conference team. The lanky son of the Glenbrook athletic director has one of the top pitching records in the suburban area though he saw limited action. Lutz allowed only 14 hits in his seven league victories and suffered no defeats. He had a 4 hitter, 2 of 3 hits, a 2 hit game, 2 in which he limited the opposition to a single safe blow and a no-hit game against Ela-Vernon.

Other outstanding performers for Glenbrook's champs were Jerry Sadek who hit over .400 playing left field and Bob Boyd who hit .340 while playing shortstop.

Certainly Frank Walsh of Antioch set a league mark when he batted in 6 runs in 1 inning. Against Ela-Vernon's Bears Walsh slammed a homer with the bags loaded in the second inning and came up in the same situation again in the same inning and hit a double. In that game after Antioch had 4 runs in, no outs, and the bags loaded in the fifth with the score 14-2, Mel Eide, Ela Coach, called his boys off the field and remarked he had seen enough and took his last place ball club home.

PALATINE WAS probably the first Northwest team to take a third place with an even break for the season of 7 wins and 7 losses. Coach Bailey had a very weak hitting team to go along with the best pitching Palatine has had in years. Hamilton had only 1 game when he allowed as many as 6 hits. The Pirate pitcher was the leading hitter with a .320 average. Only three other players hit over .200 with Bob Coates .278, Jim McCreery .250, and George Beyer .244.

The fine season enjoyed by the frosh-sophs in compiling a 11-3 record means better baseball in the near future.

The first effects of the Palatine Little League program came into the picture in frosh-soph ball this season and this feeder system should make Palatine high a contender annually from this point. Most of the frosh-sophs will play on Bailey's Legion-Lions sponsored junior team which will play in a northwest side suburban league during the summer months.

THE WAUKEGAN NEWS SUN reports that 8 of the smaller high schools of Lake county have officially organized a new conference effective in the fall of 1957 with the boards of education of all 8 schools giving full approval of the lineup. This means that Glenbrook, Palatine, and Fenton high of Bensenville will be the only schools left in the Northwest conference.

By fall an official announcement is expected from the association of suburban conferences as to which schools will be joined with the Northwest trio to form a new circuit. The action in Lake county leaves the North Suburban conference with 6 members and they may continue to operate with that number.

WE KNOW LITTLE ABOUT motor cycle racing but it has come to our attention that Ray Dropp of Palatine is enjoying unusual success as a racer in his first year of competition. A week ago Sunday Dropp took $250 in prize money by winning one of the feature races on the opening card of the motor cycle racing season at Milwaukee State Fair Park. Dropp won the 35 lap 63 mile race for amateurs with an average speed of 58.1 miles an hour riding a triumph motor cycle.

WHILE MONEY is not the only consideration in the operation of the state tournament series in basketball, high receipts are evidence of increased attendance. The old 16 team final at Champaign was changed to 8 teams this past season with the first round elimination from 16 to 8 being held in scattered centers over the state.

The evidence of how many more people were able to see state tournament games is shown in the increase in state tournament gate receipts. In 1955 the 16 team tournament take was $58,435 but this year the receipts were $90,898. Total receipts for the entire series of state eliminations from districts through state finals were $423,797.

234 Boys Received Awards At Arlington

Forty-three more varsity letters have been awarded for spring sports, it was revealed this week by athletic director Wally Grace at Arlington Heights high school. In addition 39 frosh-soph awards and 9 managers' honors were given.

Football led the year's parade in awards, of course, with 29 boys receiving varsity letters and 27 frosh-soph numerals. Total for the year is 234 awards, including 112 varsity, 95 frosh-soph and 27 managers.

Captains for the year included Wayne Haemker cross country, Jack Ebert football, Ron Ashley basketball, Dick Nieland gymnastics, Wayne Rolfs and Mike Spinello golf, Tom Hoder and Jim Mott tennis, Ron Ashley baseball and Bob Busse track.

PALATINE'S BASEBALL TEAM finished third in the Northwest Conference with a 7-7 record in the season just completed. Glenbrook and Grayslake tied for the championship. Palatine split with Glenbrook winning 6-1 and losing 5-2 and lost to Grayslake 2-0 and 2-1. Bob Hamilton pitched all but one of Palatine's games and was leading hitter with a $320 average.

Service, Colleges, Travel To Attract Heights Coaches

Service, colleges and travel will be taking the time of many Arlington Heights high school coaches this summer, with others not having definite plans at this time.

Bob Baker is the one who'll be going into service.

Howard Lester will be completing requirements for his master's degree at Normal.

Bob Scott will be taking the second leg on his master's degree at Illinois. Bob is planning a quick trip, then, before school starts once more.

★ ★ ★

KEN SCHALLER will be staying in Arlington, working on his thesis for his master's degree. He expects to be giving some tennis lessons, too.

Maurice Kellogg will be working at the high school.

Dick Mudge is planning a trip to Colorado.

Curtis Larsen will be working at the race track, then traveling through Iowa, South Dakota and Nebraska.

Bill Beckman will not be working at the track as he has in recent years, but will be seen around Arlington instead.

★ ★ ★

GAY HUGHES will be serving as waterfront director of the national summer gymnastics camp in Michigan.

"Bus" Ormsbee will be swim director of Itasca country club.

Russ Attis will be recreation director of Arlington Heights park district.

Art Serfling will be at home evenings in Libertyville during the summer after the hot summer working days are over.

will be caring for his dad at Mt.

Athletic director Wally Grace Carmel, Ill., during July, then come back to get ready for another school year.

"Rusty" Dowell is expected to spend some time in Texas. (Sp

Sox	100 200—3	7

The Spartans and Padres are both undefeated in Southside Junior league, though the warriors have played 1 more game. Spartans combined an 8-inning third with a 5-inning fifth to whip Braves, 15-3, Saturday at South park.

Braves	010 20— 3	2
Spartans	118 05—15	6

The Buckeyes beat Angels, 23-13, in a high scoring encounter at South park Monday of last week, with time called at the end of 4 innings.

Buckeyes	1(10)9 3—23	7
Angels	3 4 0 6—13	5

The Buckeyes continued their winning ways Friday at South park, topping the Oaks 10-8. Scoring was scattered throughout the contest.

Oaks	420 02— 8	4
Buckeyes	304 3*—10	9

The Angels proved anything but that against the Oaks Saturday at South park as they took a 29-6 contest. Winners scored 7, 1, 6, and 13 runs, with the losers tallying 3 in each of the first 2 frames. (Sp

Strike Out Kings

When 24 Indians and Orioles went down on strikes in Cleveland Stadium, May 19, they set a new record for a two-team total of strikeouts in one game. The old mark of 28, says The Sporting News, was achieved four times, in 1901, 1914 and twice in 1955. In the record-breaking performance, Herb Score of Cleveland struck out 15 Orioles. Camilo Pascual, Truman Clevenger and Dean Stone each struck out three Indians.

Palatine Jr. Legion To Open Play Sunday

Palatine's Legion-Lions Junior baseball team coached by Claude Bailey will open the league season Sunday afternoon at home against Northlake on the high school field. Next Wednesday at 6 p.m. they will play their second league game at Arlington Heights.

Teams in the league are Northlake, Arlington Heights, Portage Park, Park Ridge "A", Park Ridge "B", Elmwood Park, River Grove, and Palatine. The Palatine team will be made up largely of the frosh-soph team at the high school which compiled a 11-3 Northwest record the past season. (Sp

Motorcycle Winner

Ray Dropp of Palatine won the 63 mile motorcycle race for class B amateur drivers at Milwaukee May 27, averaging 58.1 miles per hour.

Dropp won the race after losing the lead 5 times because of engine trouble but cleared out half way through, running the last 10 laps without a clutch 1 lap ahead of second place winner. (Sp

Pick 3 Bisons On One All-League Team

by BILL RIPPERGER

Some happiness came to the Fenton squad Friday, however. It was learned that 3 Bisons had been chosen on an all-conference team. These were 2 seniors, Bob Lang and Floyd Busse, and a sophomore, Terry Biefeld.

Lang, an outfielder, has played baseball for three years. This year Bob was one of the best Bisons at the plate, with a high average throughout the season. A fine clutch hitter, he finished the year with 16 RBI's.

Busse played baseball for four years and has been a regular with the varsity for two years. Floyd was the outstanding pitcher for Fenton this year and finished the season with a 6-2 record in the conference. He also had one non-conference victory. During the season he struck out 96 batsmen and walked 35.

Biefeld, though only a soph, has played regular ball with the varsity this year as an outfielder-first baseman. He also can fill in as a pitcher when needed. He led the team in all offensive departments this year and had three homers and numerous triples and doubles to his credit. Terry is also a fine defensive man and promises to be an outstanding ball player for Fenton in future years. (Sp

State Semi-Pro Ball Tourney At Elgin

Illinois state semi-professional baseball tournament will once again be held in Elgin at Wing Park, July 18, 19, 20, 21, 25, 26, 27, and 28.

A series of district tournaments will produce 16 champion teams to compete in this 21st annual state play-off. The state champs will then compete further for a birth in the 22nd annual national tourney to be held in Wichita, Kan., starting August 17. (Sp

No-Hitter Too Much For Bisons In Final Game

by BILL RIPPERGER

Still minus the services of their seniors, Fenton baseball men traveled to Grayslake Friday. There they ran into the superb, no-hit pitching of Gale Peregrin, the Rams' ace. While Peregrin was holding the Bisons hitless and scoreless, Grayslake batters were swinging to the tune of 10 runs and 7 hits. Peregrin contributed a home run to this barrage.

Two walks, a fielder's choice, and a hit batsman accounted for 2 Grayslake runs in the first frame. In the second inning the Rams got 2 more runs on 2 hits and a Fenton error. They went scoreless then, until the fifth.

★ ★ ★

IN THE FIFTH they capitalized on 2 walks and a hit to bring home 1 run. Peregrin's homer came with one man on in the sixth inning. Two doubles and a single brought across 3 more runners following the homer.

Peregrin exhibited fine control during his 7 inning effort. He struck out 11 Fenton batsmen and walked only one. He faced only 23 batters, 2 more than the minimum.

Haake's 7 Pars Lead Kamps In Old Orchard Scratch Loop

W. Haake's 7 pars and 2 bogies on the back nine against E. Doyle led M. W. Kamps Signs win over Webber Paint to take 3rd in league standing. Five points were earned by Haake, Cokenhouer and M. Kamps. Webber Paint suffered because D. Burkett's back didn't allow him to play.

Peterson Floor cinched 2nd place led by M. Michgelson's par 36 against D. Hager of Flaherty Jewelers. C. Berlin, playing much better golf then last summer, met his match in A. Harris to lose 3 to 2. Other matches were won by S. Fill and F. Matyas against S. Raulworth and D. Schlitt.

D. Musser's 35 against E. Bray was made up of 3 birdies, 3 pars and 3 bogies to jump Smith and Dawson from 11th to 9th position. Other team wins were fashioned by H. Bengel vs B. Brenner and M. Graft vs H. Klapp.

A. Griffith paced the field for Cork & Bottle by shooting a 39 against Stewart Jr. of Stewart Floor to maintain first place in the league, assisted by B. Lee's win over Stewart Sr. and B. Waara's win over C. Miller and a tie between T. Foy and D. Hamburg.

Pharmacy Stretches Lead In Rob Roy Golf League

Prospect Heights Pharmacy trounced Elher & Wenborg 7 to 2 to increase their lead to 5½ points in Rob Roy golf league. Stan Fill's 38 led the Pill Peddlers quartet. It would look like this is the team that is Paddock Tourney bound. Two weeks were rained out which cuts down the time for some of the teams that have hopes of making the tourney.

Gunnell's Recreation dumped Michael's IGA 6½ to 2½ to move into second place 5½ points the leaders. The Gunnell team totalled 170 and netted 143 to gain the 4 team points.

* * *

PROSPECT HEIGHTS Service Station upset the powerful Dunteman Dairy 7-2 to drop them to third place. Stan Pietzak's 39 for the Gas Pump jockeys was the telling blow in this match.

Jacobs Hardware, led by Harv Laufman and Bob Lee upended Prospect Heights Variety 7½ to 1½. Jake Mueller of the victors is beginning to return to his normal game and will probaby be instrumental in the team's big drive.

L-NOR CLEANERS salvaged a 4½ to 4½ split on Wayne Rolfs 38. Irv Rybicki fired a 39 playing out of the Number 4 position for the Hartmann House and nearly turned the match into a rout. A 39 for a 4-man is as good as sub par round for a 1-man.

C. P. Floor and Wall Covering scored a 7 to 2 win over Smith & Dawson who are having a difficult time getting moving this season.

Len Arnold shot a wincing 40 for the winners but it was enough to win his match. Len appears to be off stride this year.

Kirchhoff Insurance gained a 6½ to 2½ win over Park Ridge Stop & Sock. Craglione shot a 39 for the winners.

Realtors Battle For Monday Lead At Mt. Prospect

The last 2 weeks have brought a change in the Monday night league standings at Mt. Prospect Country club. Ryan Realtors & Whitton Realty have really been playing good golf, having scored 15 out of a possible 20 points and 16 out of a possible 20, respectively. On the other hand, several of the leaders have slipped from the top standings to midway in the league.

A look at the bottom 3 teams shows it's about time they warmed up their drivers, pitching wedges and putters and knocked off those leading teams. Two weeks ago Kerm LeMay got a case of a "hot putter" and had two birds. Last Monday birds were scored by H. E. Baylis on the 5th and Franks on the 7th.

Team standings:

Ryan Bros. Realty	37 5/6
Whitton Realty	35 2/3
Golden's Food Shop	34 1/2
Illinois Range	34 1/2
Kirchhoff Insurance	33
Mt. Prospect State Bank	31 5/6
Keefer's Pharmacy	31 2/3
Barclay Engineers	30 1/2
Mt. Prospect Lions	28 1/2
Winkleman's Shell	24 5/6

Jahn's Firemen Extend Lead In Arlington Golf Loop

Jahn's Fire Protection Service extended their lead slightly over the rest of the teams in the Arlington Heights Twilight golf league playing at Mt. Prospect Country club. W. Gappert for the second week in a row was the mainstay of the team as he picked up 3 of his teams 7 points.

The Schiller Carpet team made a move to get out from under the bottom of the pile and took 10½ points while knocking down Mr. Prospect Country club from second to sixth place.

JUST DOGS

by DAVE TERRILL

Size vs. Acres

During these times of what seems to be a general exodus on the part of many people to homes in the suburban areas, it is interesting to note the variety of dogs which are brought in to the new home along with the family belongings. Many people have the urge to hit the wide open spaces with a dog which requires the "wide open spaces." Although to the owner a lot of a half acre or less may be the wide open spaces, it by no means is sufficient for a dog of a size, such as a Great Dane or an Irish Wolfhound.

In a recent discussion with a young couple intending to purchase a home, your editor was somewhat taken back when he asked the size of the property involved. It turned out to be a very small lot, and with the new owner planning on a Great Dane it would not be fair to the dog to confine him to such a small sized area for his daily exercise.

* * *

ACTUALLY I don't begrudge any individual or any family having a dog, and as a matter of fact, especially where there are children involved, it does a lot towards fostering the idea of responsibility in a child and also of tolerance and patience. By the same token grown-ups are entitled to any breed of dog which they prefer.

However, it would seem rather unusual to put a large dog in an apartment and permit a small toy breed to run over a five or ten acre piece of property. The sum and substance of the whole matter would be to use common sense reasoning when buying a dog, and to take into consideration where and how much room the dog will have for his daily exercise.

National G.S.
Obedience Specialty

Of great interest to individuals training obedience dogs in this area, especially to those who own German Shepherds, was the announcement that the Shepherd Dog Training Club of Chicago annual obedience trial has been designated as the National Specialty Obedience Trial by the parent German Shepherd club of the United States.

The trial will be held here in our area on August 26, 1956, at the club's training grounds, located on route 53, just south of Lombard, Illinois.

Inasmuch as this will be the National Specialty in obedience for German Shepherd dogs, it will bring a number of the top working German Shepherds of the country to the Middlewest for this event.

Youth vs. Age

Older and more experienced trainors held no terror for young Mike Hayward of Elgin, who belongs to the Northwest Obedience Club of Palatine, when it came to competing for the club's trophy awarded to one of its members in the recent obedience trial held by the North Shore Dog Training Club at Lake Forest College, Lake Forest.

Against a number of grown-ups Mike proceeded to come out with a score of 197½ thereby winning the trophy with his German Shepherd, "Wolf," for the highest score received by a Northwest Club member in either of the Novice classes. At a little over fifteen years of age Mike is proving to be an experienced trainor, well able to stand up to adult competition.

Barks and Bays

The modern day and age has also caught up with dogs in the far north. On a recent fishing trip into Canada your editor in talking with a number of Indian guides found that they had been cutting down on their sled dog teams keeping perhaps only two or three dogs, inasmuch as it was found to be cheaper to have supplies flown in by plane or helicopter than to keep a full string of from seven to nine dogs throughout a summer season. During the summer season the dogs would do no work other than to eat and sleep, therefore, the Indian reasoning, economically speaking, has been rather sound and man's best friend has given way a little bit to our modern way of life.

Cops Call On Tax Delinquents About 4 A. M. In Denmark

..BY BILL DILLINGHAM

In Denmark, tax delinquents are treated unmecifully. The revenue department will send a man a notice explaining that they wish to visit him — at four o'clock in the morning.

In this tiny kingdom, a land where police ride around on bicycles, four a.m. is an hour when Danes are usually hidden under the bed covers and perhaps dreaming ot H. C. Andersen and Danny Kaye.

* * *

THE HEAVY FIST of a policeman knocking at the door, however, disturbs all this. The citizen must get dressed and enter a busload of other such delinquents which carries him to the station. Here he waits until eight or nine o'clock in the morning when it is time to go to work.

This irritation will take place regularly until the citizen has paid his taxes, or at least settled part of the debt.

* * *

OBVIOUS ANSWER to evading this visit — that of not being home when the police call — is not generally resorted to by citizens. It isn't against the law to be out of the house when a policeman comes, but it "doesn't look well" to law-abiding Danes. If the fellow evades these visits, then he is labeled a rascal and a nightly call is made until he is caught.

Denmark does not use thewithholding-tax system as practiced in the U.S., but bills people at the end of each year.

On these mightly visits, the inpolice may remove radios and luxury items from one's home. Books, clothes and the person's working tools are the only things exempt from confiscation.

* * *

UNTIL RECENTLY it was possible to pay off taxes by sitting in jail at the rate of three dollars per day, but too many people preferred to make payment in this way. Now delinquents are only irritated.

The earnings and taxes of every individual in Denmark are published in lists for the general public to see each vear. Whether or not a person has actually paid his tax, however, is not made public. Having bags under one's eyes doesn't necessarily give the secret away either. To be an "active" citizen with the right to vote, one must pay at least six cents in taxes per year. (B

Have trouble washing your flour sifter?

Don't place in or hold under hot water while flour is still on it. This results in doughy coating that is hard to get off. Flush away flour with cold water first. Then wash in hot soap suds, rinse and wipe dry. Easy to do and minutes faster.

* * * * *

Did you know that it takes longer to ready an unbleached flour for market than it does to mill and ship a bleached flour?

It is significant, we think, that Ceresota, unbleached from the first, is still the same fine natural unbleached flour in these days of high costs and high production goals.

Ceresota is naturally white and the only unbleached flour you can buy in the local market. Ceresota remains unbleached because its makers (and its tens of thousands of users) feel that unbleached Ceresota means fuller flavor, better texture, and finer appearance in all home baking.

* * * * *

Making gravy? If there is too much fat for the amount of gravy you want to make, don't throw the excess away. Just add Ceresota flour to all of it and place over burner until mixture bubbles. Then store excess in refrigerator for more gravy later. Keeps perfectly.

Want to try your hand at some new recipes? Here are two that Ceresota users praise to the skies:

JIMMY CAKE

Ingredients
- 1 cup (soft) butter
- 2 cups confectioner's sugar
- 6 egg yolks
- 1 tsp. vanilla
- 2¼ cups sifted unbleached Ceresota flour
- 2¼ tsps. baking powder
- 1 cup chopped pecans
- ½ tsp. salt
- 1½ cups chocolate shot
- 1 cup ice water
- 1 tbsp. powdered coffee
- 6 egg whites

Directions

Cream butter; add sugar; add egg yolks and flavoring. Beat until light. Sift together flour, baking powder, salt; add chocolate shot and nuts. Mix powdered coffee into ice water. Add flour, shot and nut mixture to creamed mixture alternately with the ice cold coffee. Beat only until well blended. Carefully fold in stiffly beaten egg whites. Pour batter into greased and floured 10-inch tube pan. Bake in preheated 350° oven about 1 hour, 10 minutes, or until cake is done. Cake may be frosted or served with whipped cream.

HAM AND CORN FRITTERS

Filling
2 eggs beaten, 1½ cups drained whole-kernel corn, ⅔ cups finely diced cooked ham, ¼ cup milk.

Pastry
1½ cups sifted unbleached Ceresota flour, 1½ tsp. double action baking powder, ¼ tsp. salt.

Combine first four ingredients. Add flour, baking powder, salt, which have been sifted together. Drop from tablespoon into deep fat heated to 375° F. Fry until golden brown on all sides, about five minutes. Makes 16 fritters.

At Shimer

Shimer college in Mt. Carroll, Ill., which 5 years ago was an exclusive girls' school, this week recognized 11 men and 1 woman as candidates for the bachelor of arts degree at a convocation for graduates. They will receive the degree upon the successful completion of their current academic work.

The college, which is affiliated with the University of Chicago, became coeducational and adopted the Chicago undergraduate program in 1950 after a history of close to 100 years as a girls' school.

One of the features of the new program at Shimer is early admission to college of qualified students after their sophomore year in high school. This plan enables the student to save valuable educational time and avoid needless duplication in his high school and college programs.

The twelve Shimer candidates saved a combined total of 23 years, nearly 2 years each, in achieving their bachelor of arts degrees. Normally, counting the last 2 years of high school and 4 years of college, 12 students would spend a total of 72 years in educational institutions. The Shimer students, some of whom graduated from high school and some of whom did not, spent a total of 40 years in the college.

Completing his second year at Shimer college is Thomas Livingston, son of David Livingston, 174 Hillcrest, Wood Dale. (CC

Clyde Coryell Takes California Briae

Wearing a gown of white nylon lace over satin, Miss Mary Ellen Cullen, daughter of Mr. and Mrs. William J. Cullen of Oxnard, Cal. was married to Clyde L. Coryell, son of Mr. and Mrs. John Coryell of Mt. Prospect, in a 10 o'clock mass May 5 in St. Mary Catholic church, Des Plaines. The Rev. Richard Maginot read the mass.

The bride's gown was fashioned with mandarin collar, long sleeves and train and her headpiece was a crown of pearls and nylon lace with a fingertip veil. Stephanotis and a white orchid made up her bridal bouquet. Raymond Nick, uncle of the bridegroom, gave the bride in marriage.

The bridegroom's aunt, Mrs. Mary Jo Lucas, was matron of honor wearing a full-length gown Bridesmaids were Gloria Nick, cousin of the bridegroom, and Ruth Nick, aunt of the bridegroom. Both wore blue embroidered nylon gowns and carried white carnations with yellow ribbons.

Charles Baily was best man and Tom Coryell, brother of the bridegroom, and Harold Scharringhausen, cousin of the bridegroom, were ushers.

Breakfast and dinner were served at the Coryell home and a reception for 200 guests followed. Among the wedding guests was the bridegroom's brother, Harold, a serviceman, who arrived home from New Port, R. I.

Mr. Coryell and his bride took a 2-week wedding trip to the bride's California home. Mrs. Coryell was graduated from Santa Clara high school in Oxnard and is now employed by Baxter laboratories. Mr. Coryell was graduated from Arlington Heights high school. He was recently discharged from the navy and is employed as a carpenter.

JoAnna Falkanger And Robert Monson Wed

Altar vases of white snap-dragons, calla lilies and carnations decorated St. Mark Lutheran church in Mt. Prospect for a 4:30 service May 12 in which Miss JoAnna Falkanger, daughter of Mr. and Mrs. Norman S. Falkanger Sr. of Mt. Prospect, became the bride of Robert Iver Monson, son Mr. and Mrs. K. I. Monson of Elmhurst. The Rev. H. J. Rasmussen officiated at the single ring service.

Mrs. Douglas Gomm was organist and Mrs. H. J. Rasmussen, the soloist. "O Perfect Love" and "Wedding Prayer" were the nuptial selections.

The bride approached the altar with her father down an aisle marked with pew decorations of green leaves and white bows. For her wedding she wore a simple, classic, floor-length gown of ice blue silk peau de soie fashioned with short sleeves, portrait neckline and turned back collar. The very full plaited skirt of her gown was joined to the waist in tiny scallops and 3 large appliques of imported alencon lace adorned the skirt front. She wore an ice blue tulle fingertip veil held in place with a juliet cap of lace trimmed in pearls. She carried the Brussell's lace handkerchief which Mrs. Norman Falkanger Jr. carried at her wedding. Her cascade bouquet was of lily of the valley with 3 white glamellias.

Mrs. Norman Falkanger Jr. of Arlington Heights, sister-in-law of the bride, was matron of honor. Her princess style gown was of steel blue crystalette. She wore a white picture hat, short white gloves and steel blue shantung pumps. Her bouquet was an old fashioned cascade bouquet of white daisies and blue bachelor buttons.

Roberta Duenn and Geraldine Bailey of Arlington Heights and Eileen Keenan of Chicago were bridesmaids. Their gowns and flowers were identical to the matron of honor's gown and flowers.

Charles C. Moore of Elmhurst, was the bridegroom's best man and ushers wers Norman Falkanger Jr., Jack Monson of Elmhurst, brother of the groom, and William Workman of Bellwood.

A buffet supper at 6:30 p.m. was served to 250 guests in the Mt. Prospect VFW club house. Mrs. Falkanger received in a slate blue silk taffeta suit with pink lace straw hat, pink gloves and blue calf pumps to match her suit. Her corsage was of tiny pink sweetheart roses with a Trgrida lily. Mrs. Monson was in a powder blue nylon brocade dress with shantung shoes to match, white lace hat and short white gloves. Her corsage was the same as Mrs. Falkanger's corsage. Out-of-town guests included the bride's aunt and uncle from Grand Forks, N. D., Mr. and Mrs. John W. Falkanger.

After a honeymoon in New Orleans, the newlyweds are residing at 216 St. Charles rd., Lombard.

The bride was graduated from Arlington Heights high school and attended the American Academy of Art in Chicago. She was employed by the Army and Air Force Exchange Service in the Chicago regional office until her marriage. The bridegroom was graduated from York high school in Elmhurst and the American Academy of Art. A commercial artist, he is employed by the National Safety council, Chicago.

Favorites For Flavor

Today's recipe is so versatile that it can le served for breakfast, with morning or afternoon coffee or as an evening dessert.

It is for thin coffee cake squares which Mrs. Warren O. Lippert calls Sweet Rolls.

There are many variations for preparing these sweet rolls and all of them are delicious!

The basic baking powder dough is simple to prepare, and raisins can be added to the batter, if desired. Mrs. Lippert likes to include the raisins as they add flavor and interest to the rolls.

The dough is spread in a jelly roll pan and sprinkled with a mixture of cinnamon, sugar and butter. The topping seeps into the batter, giving it a crunchy texture. When cool, the cake is spread with a thin butter frosting and cut into squares.

Raspberry jam, pineapple preserves or orange marmalade can be spread over the cake while hot, and topped by the frosting. Or you can spread jam over half of the cake and leave the other half plain.

All of the variations to this excellent recipe are so good, you'll want to try them all!

The Lipperts live at 625 S. Mitchell in Arlington Heights. They have 2 sons: Jim, 11, and Dean, 4.

They moved to their new home 4 years ago from Edison Park and are members of the Christian Science church.

Sweet Rolls

1 rounded tablespoon shortening
1 cup sugar
1 egg
½ cup milk
½ cup water
2 cups all-purpose flour
2 teaspoons baking pwder
½ teaspoon salt
½ cup raisins (optional)

Cream shortening and sugar. Add egg and beat.

Mix water and milk together. Sift dry ingredients together.

Stir in liquid and dry ingredients alternately in three parts.

Add raisins, if desired.

Generously grease a jelly roll pan. Spread dough in tin. Top with following mixture:

1 cup sugar
2 teaspoons cinnamn
2 tablespoons butter, melted

Sprinkle on top of dough.

Bake 20 to 25 degrees in 400 degree oven.

When cake is cool, drizzle thin, soft butter frosting on top. The frosting is made by combining:

2 leval tablespoons butter
1 cup powdered sugar
Milk to make thin

For variation, you may spread the cake, while hot, with either raspberry jam, pineapple preserves or orange marmalade. Use about ½ jar for whole cake.

When cake cools, drizzle thin butter frosting over top.

Makes 24 squares.

Janet Neitzke Marries Richard Lee Pascoe

In a double ring ceremony in St. Paul Lutheran church, Mt. Prospect, May 19, Miss Janet Louise Neitzke, daughter of Mr. and Mrs. George Neitzke, 17 S. Maple, Mt. Prospect, and Richard Lee Pascoe, son of Mr. and Mrs. Paul E. Pascoe, 401 S. George, Mt. Prospect, repeated marriage vows before the Rev. J. E. A. Mueller.

Elmer Jackisch was organist and Mrs. Donald Freitag, soloist. Selections were "Because" and "The Lord's Prayer." Ferns and candelabra, snapdragons and gladiola decorated the altar and the pews were marked with ribbons and flowers.

The bride was given in marriage by her father and wore a princess gown of chantilly lace with alternating panels of lace and nylon net with satin underskirt. The full skirt ended in a long train and the bodice was made with a square neckline and long pointed sleeves. Seed pearls and sequins trimmed the neckline. Her fingertip veil was held to her head with a queen's crown of seed pearls and sequins. The bridal bouquet was of lily of the valley, cymbidium orchids and stephanotis with ivy.

The bride's cousin, Miss Elaine Kruse, was maid of honor and bridesmaids were Miss Eleanor Wolfarth of Mt. Prospect and the bridegroom's sister, Mrs. Robert Niemann. All wore identical gowns of light aqua nylon chiffon made with shirred bodices, sweetheart necklines and ballerina length skirts. The maid of honor's bouquet was of yellow daisies and yellow roses in a cascade while the bridesmaids were of white daisies and yellow roses.

Five-year-old Brenda Wood was flower girl wearing a long white nylon dress with light aqua underskirt. She carried white daisies and yellow roses. Daniel Robert Neitzke, 5-year-old nephew of the bride was ring bearer.

Mrs. Neitzke wore a mauve chantilly lace dress with matching gloves for her daughter's wedding. Her corsage of cymbidium orchids were in shades to match her gown. Mrs. Pascoe's dress was of champagne lace. Her gloves also matched her dress and her cymbidium orchid corsage was in green tones.

Robert Niemann was best man to the bridegroom and Ralph Grienke, cousin of the bride and John Sheehan of Park Ridge were the ushers.

Northbrook American Legion hall was the scene of the wedding reception which was attended by 250 guess.

After a honeymoon in Colorado, Mr. Pascoe and his bride are residing at 17 S. Maple, Mt. Prospect. Both young people were graduated from Arlington Heights township high school. The bride is employed by Aetna Insurance Co. ir. Park Ridge and the bridegroom by the advertising department of Chicago North Western railroad.

Joy Saverthal Becomes Mrs. William Price

Miss Joy Saverthal, daughter of Mr. and Mrs. Frank Saverthal of Palatine, and William Price of Greenwood, S.C., repeated marriage vows Saturday, May 19, in Faith Lutheran church, Arlington Heights. The double ring ceremony took place at 7:30 p.m. with the Rev. Edgar Behrens officiating.

Altar bouquets of white snapdragons and carnations decorated the church and Miss Margaret Johnson sang "Jesu, Joy of Man's Desiring" and "The Lord's Prayer." She was accompanied by Donald Busarow at the organ.

The bride was given in marriage by her father and wore a gown of lace and tulle over satin. The fitted bodice of her gown had a scalloped neckline and long sleeves. Her finger tip veil was held in place with a band of orange blossoms and she carried a bouquet of carnations and stephanotis.

Mrs. W. Hartmann of Chicago, cousin of the bride, served as matron of honor and her ballerina-length gown was nile green crystalette. She wore a matching crown and carried a bouquet of yellow daisies. Miss Maria Scheiback of Palatine was bridesmaid. Her gown was of yellow crystalette and she also wore a crown to match her gown. Yellow daisies made up her bouquet.

Best man to the groom was S. Dalske of Park Ridge and Norbert Wittmer of Franklin Park was usher.

For her daughter's wedding, Mrs. Saverthal chose a pink linen dress with a lace jacket and white accessories. She wore a corsage of pink and white carnations.

A reception for the guests was held in the church parlors after the service.

Mr. and Mrs. Price honeymooned in Greenwood and are now residing in Bensenville. The new Mrs. Price is employed at Universal Oil in Des Plaines and Mr. Price is in the air force, stationed at O'Hare field.

School Teacher Weds

As of May 19, fourth graders at South school in Arlington Heights have been referring to their teacher as Mrs. Schlehofer, for on that date, the former Miss Josephine Cerami, daughter of Dr. and Mrs. John Cerami of River Forest, became the bride of Richard Schlehofer, son of the Frank Schlehofers of Berwyn. Students of the bride were among the guests at the wedding which was held in St. Vincent Ferrer church in River Forest. Mr. Schlehofer and his bride honeymooned in Miami Beach and at the present, the bridegroom is stationed with the army at Ft. Knox, Ky. His bride will join him at the conclusion of the school year.

Heights Teachers Plan Summer Nuptials

Three teachers from the Arlington Heights elementary school system are planning to marry during the summer months and all have been feted recently with bridal showers.

Miss Jane Mortorff, who has been teaching home economics and art at the Junior high school, is to be married Saturday, June 23, to Claudius Miller Jr. of Palos Park. Miss Mortorff, daughter of the Russell A. Mortorffs of Ashley, Ind., has chosen the Ashley Methodist church in Ashley, for the scene of her wedding.

Miss Joan Peterson and Miss Bonnie Wardrope of Fairview lane, Arlington Heights, were co-hostesses at a personal shower for Miss Mortorff May 29. Fifteen guests attended the courtesy.

Miss Eleanor Reiser, a second grade teacher at South school, has chosen July 27 for her marriage date to Richard Hauslein of Evanston. Miss Reiser, daughter of Mr. and Mrs. William O. Reiser of Park Ridge, will be married at St. Mary Episcopal church in Park Ridge.

Mrs. M. R. Kephart, 801 S. Evergreen, was hostess at her home at a miscellaneous linen shower Monday, May 28, at 8:15 p.m. at which mothers of students were guests. Co-hostess with Mrs. Kephart was Mrs. John McComb. Twenty-two attended the party.

Miss Mary Coughlin, who teaches kindergarten at South school, is planning to be married June 21 at Harvard to William J. Bergin of Arlington Heights. Miss Coughlin is the daughter of Mr. and Mrs. Daniel V. Coughlin of Harvard.

Mrs. Robert G. Shawhan, 605 S. Dunton ave., assisted by Mrs. K. T. Brusa, Mrs. M. R. Kephart and Mrs. Richard Schlehofer, entertained in honor of Miss Coughlin Thursday, May 31 at 8 p.m. with a linen shower. Eighteen guests were present and a pink and white color scheme was carried out in the decorations and the pink carnation umbrella centerpiece.

Miss Coughlin was also given a check and personal gift from mothers of her pupils in a ceremony at the conclusion of the school day Tuesday, May 29. The presentation was made by the home room mother, Mrs. Charles F. Hamburg Jr., 830 S. Dunton ave.

Mrs. Richard Schlehofer, who before her marriage May 19 at River Forest, was Miss Josephine Cerami, teacher of fourth grade at South school, was given a surprise kitchen shower April 24 by 3 of her pupil's mothers. Mrs. M. R. Kephart, 801 S. Evergreen, was hostess and assisting her were Mrs. K. T. Brusa and Mrs. Robert G. Shawhan. Twenty-six mothers attended the party and the group gave her several kitchen appliances. (Soc

NORM DEWEY was telling me the other day that it currently takes about $7,000 to put a boy or girl through college. That's why it's important to start now while your children are still in grade school or just entering high school to save a definite amount each week or month toward a college fund. College training opens the doors for greater opportunities and it would be most unfortunate if your child were deprived of a bright future due to a lack of foresight on your part. Why not open a savings account at the **ARLINGTON HEIGHTS NATIONAL BANK** today and start making regular deposits for those all-important college educations. Nothing will give you more personal satisfaction and pleasure!

According to **TILLIE MENSCHING**, the outstanding features about the famed Rose Marie Reid Swimsuit line are that they have a cotton look with a lastex fit and come with built-in girdles and bras so as to flatter any figure. Rose Marie Reid swimsuits are so popular that **SHARON WILKE** came all the way in from Lake Geneva to buy one at the **LORRAINE-ANNE SHOP.** Speaking of summer fashions, you ought to see **LORRAINE-ANNE'S** outstanding selection of coordinates and sportswear, Bermuda shorts, short shorts for teen-agers, blouses, half-size sheer cotton dresses and adorable swimsuits for little boys and girls.

When **MAYFAIR RUG CLEANERS** in Arlington Heights pick up your rugs to be cleaned in their modern cleaning plant you can depend on three-day service. For on-location cleaning it's advisable to call them a week in advance of the time you wish the work done. At **MAYFAIR** the entire cleaning process is handled by their own staff of skilled carpet mechanics—and at prices below that of most reputable Chicago rug cleaners. You may call **LILLIAN PREST** or **ARNOLD FRIESE** for free estimates at CLearbrook 3-2205. For Palatine residents the number is Enterprise 1221. Remember, no other firm in the northwest suburbs except **MAYFAIR RUG CLEANERS** operates its own cleaning plant.

Just because summer is here doesn't mean you should let your home oil supply run low. If you do it's a mistake which could prove costly. **GEORGE SCHIMMING** explains that when you fail to refill your tank during the warm weather, humidity causes condensation to form in the air space and it may result in your oil tank rusting out—or, the rust may get down into the burner itself. As long as you're going to have good use for the oil later on anyway, it would be smart to have the **SCHIMMING OIL CO.** fill up your tank now. Besides the protection, **GEORGE** says you can buy your oil at this time at special summer-fill prices and apply the price reduction on the "Budget Plan" as well as "Automatic Keep-Full" service.

If you really want to make Dad happy on Father's Day, don't limit yourself to just giving him a gift. Take him out to dinner too! All year long it's on him so it would be a nice twist to treat him to a fine meal. And, you know, the place to enjoy "his day" is **ARLINGTON HOUSE** restaurant located on Rand Rd. and Euclid, just outside of Arlington Heights. All the Mothers had a grand time at **ARLINGTON HOUSE** on Mother's Day and now host **BILL SIEGEL** is planning a sumptuous menu replete with delicious cocktails for Father's Day.

During the summer when we engage in numerous outdoor activities such as gardening, golf, picknicking, etc. we naturally tend to shower and bathe more often. Those of you who use **CULLIGAN WATER CONDITIONING** Products know how healthful, refreshing and relaxing, filtered softened water can be as compared to ordinary, hard, curd-forming water. In fact, it's a reward **CULLIGAN** users always look forward to after an active day outside. And not only is soft water more gentle on your skin, but it's easier on your clothes too! I suggest you call **RAY CHMELIK** at his Mt. Prospect plant and let him give you the complete facts on the fascinating **CULLIGAN WATER CONDITIONING** story.

Some Changes In Social Security

"Special closing date" is a technical term, but if it can be applied to you it may be freely translated as meaning higher social security benefits paid sooner, according to northwest district social security manager Julius Berman.

If you are 65 or older and have worked or been self-employed under Social Security since the first calendar quarter of 1955 it may be to your advantage to file your claim for benefits soon, Berman advises. For some persons who have filed for benefits in the past, "special closing date" may mean a possibility of refiguring the benefit at a higher rate. To qualify for such a recomputation, the claimant must have had substantial earnings after 1954 through the current quarter.

There may not be any advantage in taking this action if you expect to work all months this year and your earnings for the year will exceed $2,080, he says. But, Berman adds, it will nevertheless be advantageous in the terms of future action to talk over your situation now with a Social Security representative who is qualified to give you the information you need. Jane Senne Is Bride Of Dale A. Daggett

Immanual Evangelical Lutheran church in Palatine was the scene of a 4 o'clock double ring ceremony May 12 in which Miss Jane Senne, daughter of Mr. and Mrs. Edword Senne Sr., 49 W. Johnson st., Palatine, and Dale A. Daggett, son of Mr. and Mrs. Gerald Daggett of Lake Zurich, were united in marriage. Rev. Hilmar Th. Rosenberg officiated at the candlelight service during which Walter Rueger sang "O Perfect Love," "The Lord is My Shepherd" and "The Lord's Prayer." Paul Leimer was the organist.

White snapdragons and gladioli decorated the church for the service.

Entering the church with her father, the bride wore a gown of Schiffli embroidered tulle over layers of tulle and satin. Bodice of the floor-length gown and the sleeves were shirred and the scooped neckline was scalloped. A queen's crown of irridescent sequins and tiny seed pearls held her imported silk fingertip illusion veil. She carried a bouquet of white carnations with a white orchid.

Miss Hilda Senne was her sister's maid of honor wearing a floor-length gown of nylon aqua chiffon and crocheted lace. The molded bodice was of crocheted lace with a nylon cuff top and the full shirt was of nylon chiffon. She wore a matching crocheted lace jacket and a headpice of velveteen.

Miss Betty Senne, also a sister of the bride, and the bridegroom's sister, Miss Nancy Daggett, were bridesmaids. Their gowns were identical to the maid of honor's gown and all carried identical bouquets of yellow carnations.

The bride's 4-year-old niece, Kathleen Senne, was flower girl and wore a floor-length dress of yellow tulle over a yellow taffeta slip. She carried a basket of rose petals.

Robert Peterson of Chicago was the bridegroom's best man and ushers were Paul Monroe of Chicago and James Fisk of Edwardsville.

A reception for 150 guests was held at the home of the bride's parents. Mrs. Senne was in a street-length dress of sky blue lace over taffeta with white accessories. Mrs. Daggett was in a powder blue sheath dress of lace. Her accessories were also in white and both mothers wore corsages of pink carnations.

Mr. Daggett and his bride honeymooned in New York and the eastern states and will make their home in New London, Conn.

The bride was graduated from Palatine township high school and and was employed in a Palatine dentists's office. Her bridegroom was graduated from Barrington high school and is in the coastguard at the Coastguard Academy in New London. (Bak studio

She was in state at the Lauterburg and Oehler chapel in Deerfield June 1 and services were held June 4 in Billings, Mont. Interment was in Huntley cemetery in Huntley, Mont.

Mrs. White leaves her children: Blanche Shultz, Leoda Sturdevant, Marcella Mink, Elizabeth Knox, Delvia Lacey, Otis White and Beulah McNeely; 11 grandchildren and a brother, Samuel Ritenour. Her husband, John Wesley White preceded her in death.

Walter C. Krueger, Sr.

Funeral services for Walter C. Krueger Sr., of 14 N. Yale, Arlington Heights were held Saturday at Black's Memorial home, Arlington Heights. Mr. Krueger was 77 years old last Sunday. Rev. John Peterson officiated and interment followed at Forest Home cemetery, Forest Park.

Mr. Krueger, who was born in Chicago, died Thursday at the Magnus Rest home, Arlington Heights. He was retired from business.

Mr. Krueger leaves 3 sons, Walter C. Jr. of Arlington Heights; Edward of Philadelphia and Charles of Palo Alto, Cal.; a daughter, Mrs. Margaret Rohrer of Penn Valley, Pa.; a sister, Mrs. Roy S. Edwards of Glencoe and 7 grandchildren.

Mrs. Emilie Berndt

Funeral services were held Tuesday afternoon at Tharp funeral home, Palatine, for Mrs. Emilie Berndt, 268 N. Brockway, Palatine. Interment was in the family lot in Hillside cemetery. Services were conducted by Rev. Rosenberg, pastor of Palatine Immanuel Lutheran church.

Deceased leaves a daughter, Mrs. Clarence (Lucille) Scheve, Palatine; a son, Robert, California; a grandchild; 2 brothers, John and Martin Kreft, Palatine; a sister, Mrs. Emma Wille, LaGrange.

Mrs. Berndt had been ill for a long time and was in Sherman hospital 5 days before her death early Sunday morning, June 3.

She was born February 2, 1893 on the Kreft farm homestead on Baldwin rd., later accompanying her parents to the village of Palatine. She married William Berndt in 1919, who died March 27, 1948.

Mrs. Edna C. Perry

Mrs. Edna C. Perry, 205 S. Pine st., Mt. Prospect, died in St. Anne hospital, Chicago, June 3. She was born April 5, 1906 in Chicago and had been a resident of Mt. Prospect for 16 years.

Funeral services were held at 1:30 p.m. June 6 in St. Mark Lutheran church in Mt. Prospect, of which Mrs. Perry was a charter member. The Rev. H. J. Rasmussen officiated and interment was in Mt. Olive cemetery.

Mrs. Perry leaves 2 daughters, Diane Malcolm and Janet Perry and a brother, William G. Peterson of Los Angles. Her husband George F., vice president and treasurer of Kinny Electrical Manufacturing Co. in Elgin, died May 11, 1956.

Mrs. Perry was in state at Oehler chapel in Des Plaines.

Mrs. F. J. Kessler LA 9-5182

Elk Grove Manor

Rolland Seeger and his wife, the former Marlene Zeimet of Elmhurst, are at home in their new apartment in Bartlett after their marriage May 23 in Columbus, Ga. Also married at the same time was Marlene's sister, Shirley, to Chuck Goebels. The young couples spent a few days in St. Petersburg, Fla. and visited other scenic places on their return trip.

Kindergarten Diploma

Carol Albiniak received her diploma from kindergarten at St. Peter Lutheran church school, Arling Heights, in a graduation ceremony June 1. There were 60 children in the class and they wore the traditional white cap and gown, made in their miniature sizes. The class entertained parents and friends with songs, "pieces" and other exercises.

Monday the children were taken by bus to Lincoln park zoo and Tuesda, the mother of one of Carol's classmates, Mrs. Edward Jackson, Arlington Heights, entertained the entire group at lunch.

Mrs. Fred Ollmann, Mrs. Harold Ollmann and Mrs. Harry Zender will be hostesses at the meeting of the Guild of the titasca Bethany church in the parish hall Friday evening.

To high school prom

Don Schroeder escorted Deane Jarvis to the Arlington Heights high school prom at Medinah country club May 25. After the prom they went to Mangam's chateau, Lyons, Sunday Don, Diane and friends picnicked in the Indiana sand dunes.

Lou... Beine of Reynolds, N. D., father of Keith Beine visited from June 1 to 5 with the Beine and Ollmann failies.

Mr. and Mrs. Kenneth Grothmann and children from Wonder lake enjoyed a fish dinner with the George Horbus family June 2. Incidentally, Mr. Horbus' trip to Eagle River was a real success, as he returned with plenty of fish to stock their freezer.

The school of the Church of the Holy Ghost, Wood Dale, closed for the summer at noon June 1, so the children of the Bleichroft, Moder and Wuestenfeld families are enjoying a well earned vacation.

Sandra Depalma will celebrate her sixth birthday June 7.

The Edword Moder family had picnic lunch in Elk Grove forest preserve Memorial day. What had started out to be an all day outing was cut short when they fornd the better picnic spots already taken by other humans and mosquitoes.

Any Claims Against Bulgaria Or Hungary?

Representative Marguerite Stitt Church (R), Illinois, reports that commission of the United States has announced that with less than five months to go, only a small fraction of those who may be eligible for compensation have filed claims against the governments of Bulgaria, Hungary and Rumania under the provisions of Public Law 285, 84th Congress.

Representative Church warns that persons who have suffered losses, which the law was designed to compensate, but who do not file claims with the commission prior to the deadline date of September 30, 1956, will be deprived of the right to have their claims considered.

All inquiries and requests for claim forms should be addressed to the foreign claims settlement commission, Washington 25, D. C.

Septic Ban Studied

Libertyville officials are seriously weighing a plan aimed at encouraging construction of higher-priced homes in several of the village's undeveloped areas. Many of them think a relaxing of the septic bank ban might be permissible for homes built on large tracts of land.

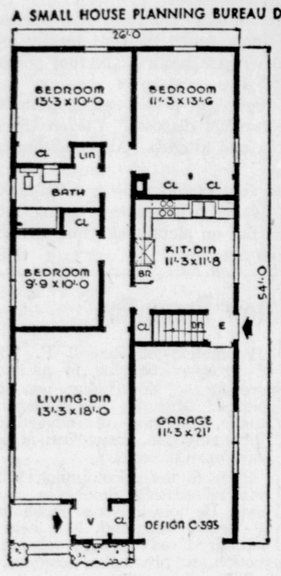
A SMALL HOUSE PLANNING BUREAU DESIGN NO. C-395



DESIGN C-395. A narrow lot usually presents problems of planning, especially if an attached garage with a front drive-in is required.

In this case the garage is incorporated under the main roof and results in a narrow rectangular plan. Designs call for frame construction, hip roof, wide siding, picture window, covered front entrance and brick planter.

There is a full basement, except under the garage, and the first floor consists of vestibule, living room, three bedrooms, bath, and a large, well-arranged combination kitchen-dinette.

Storage space is provided for in large wardrobe closets, linen cabinet, broom closet and two coat closets.

Floor area is 1131 sq. ft. and cubage is 21,489 cu. ft., not including garage.

IN THE SHADOW OF THE STEEPLE

Posh--The Russians Are Coming, You Know

by William O. McGill

A flyer came to me not long ago, suggesting that "the Communists are coming!" "It is happening here!"

What's happening? Are we being invaded by planes, or by hosts of people posing as tourists (with luggage filled with atomic bombs)?

Well — no. Something like 8 Russian ministers are coming to this country as guests of the National Council of Churches. They will talk about "peace," they might preach in some churches. And then they will go home.

* * *

I SUPPOSE they will make a report on what they saw when they get back. Some of them might even be intelligence officers of the Russian government.

What will they be able to say when they make their report?

One of the things they will say is that all the churches they saw were full of people.

These people appeared to be well-fed, well-dressed; apparently they were present in churches on their volition.

Since they will probably be in some of the large city churches, they will have to say that in addition to Caucasian types, there were Negroes and Orientals in these churches - and there were no special seating arrangements.

They will probably report that there are a great many new churches in this country.

And none of these churches have been built with government funds, or with funds that have been coerced from the people. Their contributions have been voluntary, generous, personally sacrificial.

The Russian clergy can tell the government that "the opiate of the people" has developed a strange new power — it encourages the people to be generous and thoughtful in regard to missions and Christian education. If they are too greatly coerced at home, they can look into their Bibles and add that this new power is really the New Testament power.

* * *

IF THEY SEE anything about any of the excitement which their coming arouses — and I'm sure they will, they can tell a story about freedom to the authorities.

They can say, "These American churches protest our coming, or applaud our coming — and they don't have to account to any body." There are a number of denominational meetings going on at this time of year.

If they report on half the things which these bodies discuss, it should be quite an eye-opener to the "folks at home."

* * *

THE CHURCHES of America are free churches. The people of these churches and the Holy Spirit are not going to allow the faith to slide into slavery just because eight Russian ministers come to the United States. "O men, how little you trust Him," said Jesus.

It's the Communists that I don't understand.

Have they never heard of what happens when the Holy Spirit takes possession of a man? These people might become filled with the prophetic ideal. Who knows what they might stir up in Russian churches before they receive the crown of martyrdom?

* * *

THE STRANGE thing about the Christian faith is that it is ours only to be proclaimed.

There is an appeal to "defend our faith" involved in this protest.

But really, men cannot defend the Christian faith: all we can do is seek to extend it by submitting ourselves to the Spirit of God.

The only way to do missionary work in Russia is to start with the leaders of the Russian church.

Northwest Suburbs Honor Adlai Stevenson June 17

Adlai E. Stevenson is returning to Illinois to spend Father's day with supporters and friends at an outing in Northwestern Woods, Deempster st. and Busse rd., Des Plaines.

The affair, "Fun for Funds — An Afternoon with Adlai" has been planned by the Illinois Stevenson for President committee to raise $25,000 needed tto carry on its work for Stevenson's presidential candidacy.

Everyone is welcome. Tickets are available at $5 each (children free), from Illinois Stevenson for President committee, 30 N. Michigan ave., Chicago.

* * *

FEATURES of the outdoor affair will include free pony rides and games for the kids — horse shoes and other games for adults, retainers and stars and, most of all, Adlai Stevenson, not campaigning, not speech-making, not in a receiving line, but just relaxing with his friends and supporters, chatting informally with them and participating in the games and entertainment.

The Illinois committee pointed out that thousands of Stevenson supporters who cannot afford large contributions will be able to contribute to their favoriite candidate's campaign in a painless way by purchasing a $5 ticket for an afternoon of sheer enjoyment.

The committee anticipates an attendance of 5,000 at the affair which will begin at 1 p.m. Sunday June 17. (B7

Religious Liberals To Hold Forum Sunday

An informal group of Unitarians Universalists and unaffiliated religious liberals will gather at the home of Mr. and Mrs. John Shannon, 444 S. Beverley lane, Arlington Heights, Sunday, June 10, at 8 p.m.

Dr. Homer A. Jack, minister of the Unitarian Church of Evanston, will conduct an "Information, Please" forum on liberal religion for residents of Arlington Heights and surrounding communities who would like to know more about Unitarianism and allied faiths. Dr. Jack is one of the authors of the best-selling "Pocket Guide to Unitarianism" and is also editor of the recent anthology, "The Gandhi Reader." Mr. Shannon is treasurer of the Unitarian church of Evanston.

Interested individuals are invited to attend this open meeting.

New Cab-Over-Engine Dodge Trucks Out

Dodge is introducing a completely new line of cab-over-engine trucks ranging from 17,000 to 21,000 pounds maximum gross vehicle weight and from 30,000 to 45,000 pounds maximum gross combination weight.

Two new V-8 engines of 172 and 201 gross horsepower power the new line of 10 C.O.E. models announced by Jack W. Minor, general sales manager of Dodge cars and trucks.

The 10 C.O.E. models have front bumper to rear of cab dimension of only 81 inches, and are offered in wheelbases ranging cab-to-axle dimensions ranging from 60 to 114 inches. This helps them meet a wide range of hauling problems, particularly over-all length limitations in various states.

National Sales Up

H. V. McNamara, president, National Tea Co announced that the company sales for the fifth 4-week period of 1956 were greater than any of the preceeding 4 week periods of this year.

Sales for the four weeks ending May 19, 1956 totaled $47,610,262 or an increase of $4,791,574 over the corresponding period of 1955 when the company reported sales of $42,818,688. This is an increase of 11.19 per cent over a year ago, and surpasses this years previous high period by better than one half million dollars.

National Tea Co. consolidated sales for the year to date through May 19, 1956 totaled $232,095,437, as compared with $213,762,419 for the same 20 weeks of 1955. (BB

Open Sinclair Oil Terminal At 83 And Oakton

A new pipeline terminal, built to serve approximately 450 service stations and about 15,000 household heating customers, was officially opened June 1 by Sinclair Refining company.

The facility, designated as the Des Plaines terminal, is located at the intersection of Route 83 and Oakton st., 2½ miles south of Mt. Prospect. It is in the heart of Sinclair's important northwest Chicago suburban marketing area.

* * *

NEW TERMINAL contains a modern, air conditioned office building, truck racks to handle an average of 150 vehicles a day, and storage tanks, each with capacity of 54,000 barrels, or 13,608,000 gallons of gasoline and fuel oil, Also, there are facilities for servicing trucks and other equipment.

At a luncheon ceremony on the premises, attended by more than 100 civic, business, and community leaders and press representatives, Sinclair officials were on hand to conduct guests on a tour of the grounds and to answer questions on the plant's operations.

The new terminal is linked to the company's East Chicago, Ind. refinery via a 47½ mile hookup with the Badger Pipe Line system. The 12 inch line holds 1,638,000 gallons of products, and can deliver to the Des Plaines plant over 2,300,000 gallons in a 23 hour period. The Badger system is jointly owned by Sinclair and three other major oil companies.

Realty Position

Secretary Donald D. Florence of the northwest suburban board of realtors announces the appointment of Ruth C. Wendt as local representative of the national institute of real estate brokers with headquarters in Chicago. One of her primary duties is to stimulate panel discussions on brokerage problems at the local board level.

Such programs acquaint real estate brokers with what is new in the way of advertising, financing, and taxation as it affects realty transactions. Real Estate brokers consequently become better equipped to employ the most thoroughly tested and highly perfected methods in serving the public in home purchases and

Insurance Man

Stewart F. Mitchell, formerly of Dallas, Texas, has been appointed analyst to the staff of Allstate Insurance company's Chicago regional office.

A native of Philadelphia, Pa., Mitchell attended the University of Pennsylvania, and graduated from Southern Methodist U. at Dallas with a Masters degree in business administration. Before joining Allstate in 1952, he was assistant manager of industrial development for the Dallas Chamber of Commerce. An army air force veteran, he was secretary of the Dallas chapter, national socitey for business budgeting, and secretary-treasurer of the American statistical association of North Texas.

Mitchell has purchased a home at 509 Forrest ave., Arlington Heights, where he will take up residence with his wife Dorothy and three year old son, Dennis.

Bits O' Business

Back In States

John A. Feibinger, radarman seaman, USN, son of Mr. and Mrs. Fred A. Feibinger of 1109 N. Dunton st., Arlington Heights, aboard the radar picket destroyer USS Southerland, will arrive in San Francisco, Calif., June 8 for a three-day visit between phases of a U. S. First Fleet training exercise.

The exercise involves 35 ships and 15,000 personnel in coordinated fleet and task force operations with anti-submarine warfare and air defense as the principal objectives.

The 35 ships will be berthed at San Francisco, Oakland and Alameda. Open house, to be held aboard the ships over the weekend, includes an invitation for the public to attend church services Sunday morning.

The First Fleet, commanded by Vice Admiral Herbert G. Hopwood, USN, is the Eastern Pacific's counterpart of the Western Pacific's Seventh Fleet. The primary mission of the First Fleet is the coordination of training of fleet units for combat readiness before deployment to distant duty.

In Memoriam

In fond and loving memory of our dear son and brother, Austin B. Buncik, M. M. 3c who gave his life for his country 12 years ago, June 6, 1944.

The silent night is lonely and
There is no golden dawn
Because we must remember son,
That you are really gone;
We still remember in our hearts
The happiness we knew
The many pleasant times we had
When we went out with you.
There is no joy and happiness
In flowers that we plant,
And if we call your name we hear
The sound of emptiness.
We roam the house from room to room
We gaze beyond as far as we can see
But there is nothing we can do
To bring you back to our family.
We have to tell ourselves again
That you are really gone
And we can only ask the Lord
For strength to carry on.
But you're not alone in that grave o'er the sea
For there's where our hearts will always be.

Loving Father, Mother,
Brothers and Sisters.

ARLINGTON GREENS

The annual Arlington Greens dinner dance was a huge success. Given at the Hartmann house in Wheeling, there was plenty of food, fun and danceable music.

Pre-dance Parties

Don and Peggy Schreiner had a cocktail party before the dance for neighbors: Bob and Ruth Morrisett, Lois and Jack Stegenga, John and Martha Mundell, Ed and Pauline Podwojski and Elsie and George Robey.

Cocktails and hors d'oeuvres were served by Dick and Ginny Sims to John and Lee Hoover, Harry and June Carlson, Carl and Lois Anderson, George and Adele Mitchell, Dene and Armand Bosso, Frank and Terry Mueller, John and Shirley Heyer and Eleanor Goodman.

Neighbors who started off the evening at Jane and Walter Browns were Bob and Marilyn Schiller, Henry and Jeanette Pearson, John and Bobbie Coolidge and Al and Lorraine Loos.

Ed and Anne Koren had a group of 14 couples at their house for cocktails and snacks on the way to Hartmann house.

Olin and Frankie Culpepper entertained Chuck and Dell Hultgren, Ed and Jean Zelsmann, Harry and Marietta Bryant, Charles and Rosalie Christian and Dan and Hazel Salberg before starting off for the dance.

Traveller

Jill Kaye paid a flying visit to Mr. and Mrs. M. Shoar in Miami, Fla. last week. Leaving Thursday for her trip she stopped Sunday in the home of her aunt, Mrs. T. Studeman in Birmingham, Ala.

Birthday

Janet Anne Saflarski will be 4 years old Wednesday and her godparents will come out to help her celebrate. A party was given for her Saturday and helping to eat the cake and ice cream were Connie and Debbie Heyer, Pammy Sims, Jo Anne Mueller, Marilyn Compton and Janet's brother, Jimmie.

All its "big talk" *is under the hood!*

Drive COOL this summer! An AIR-CONDITIONED FORD gives you the climate YOU want at less cost than many medium-priced cars. Try one today!

With up to 225 h.p. available RIGHT NOW, Ford makes them all take a back seat for performance!

You can chalk up Ford victories in recent performance tests to Ford's long-time leadership in power. And Ford's *still* the V-8 champ!

The 225-h.p. Thunderbird Special V-8 is the biggest, bossiest engine in the low-price field and that means it's "built-to-order" for *you*. You have better take-off in traffic, the hills look lower and your Ford gets around *quicker* and *easier* with its greater passing reserve.

There's excitement in Ford's looks, too, because Ford takes after the Thunderbird, America's top-selling "personal" car. And, in *any* '56 Ford you *and* your passengers are protected by Ford's exclusive Lifeguard Design.

With feature after feature and part after part built for a long, youthful life, Ford is more than ever *worth more* . . . whether you're *buying* or *selling*. Come in and let us show you *exactly* why!

CHRISTIAN SCIENCE CHURCHES

The safety and abundance which can be experienced through reliance on God will be a theme developed at Christian Science services this Sunday, June 10.

Keynoting the Lesson-Sermon entitled "God the Preserver of Man" is the Golden Text from Psalms 37 (39, 40): "The salvation of the righteous is of the Lord: he is their strength in the time of trouble. And the Lord shall help them, and deliver them."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (494:10-11): "Divine Love always has met and always will meet every human need."

Selections to be read from the King James Version of the Bible will include the following (Psalms 121:8): "The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore."

Only Christianity Can Supply Answers To Today's Problems

Nothing but Christ's Christianity can supply the answer to the tremendously challenging problems facing humanity, The Christian Science Board of Directors said on June 4th.

"The world needs the Science of Christianity as it has never needed it before," the Directors declared in a special statement.

Thousands of Christian Scientists from many parts of the world heard the Directors' message at the Annual Meeting of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

* * *

TAKING NOTE of the significant changes taking place in the world, the Directors said: "With the breaking of the barriers of time and space the mental outlook of men stands out in increasingly sharp relief, revealing an unprecedented clashing of ideologies.

"Materia medica is more and more tracing physical effects to mental causes. The churches are reaching out for spiritual healing."

Application of the healing power of the Christ, Truth, demands individual consecration, the Directors emphasized.

"We need to retain the spirit of the sturdy pioneer, to guard against apathy, superficiality, and the intoxication of ease in matter." they stated.

* * *

THEIR MESSAGE, read by Theodore Wallach, retiring First Reader of The Mother Church, highlighted a session at which progress was reported on the far-flung activities of the denomination which now has branches in some 48 countries.

In his keynote address Clifford Woodard of Cambridge, Mass., Christian Science practitioner and incoming President of The Mother Church, underscored the vital role of practical Christianity today. "Humanity," he said, "sorely needs our prayers and all the help that Christian Science can give to solve the world's troubles and problems.

"What," he added, "can melt away the evils of a 'cold war' but the warmth of affections enriched by the Word of God? What can still the ambition to rule the whole world but the realization that, as the Psalmist assures us (Ps.62:11), 'Power belongeth unto God,' and (Ps. 103:19), 'His kingdom ruleth over all'?"

* * *

THE AUDIENCE filled three auditoriums in The Mother Church edifices as well as a nearby theater. Adherents traveled from every state in the union and from Europe, Asia, Australia, and many other distant points to attend.

Growing interest in spiritual healing as a result of the television and radio series "How Christian Science Heals" was reported by a number of key officials, including Ray Garrett Watson, Treasurer, and Gordon V. Comer, Clerk.

Will B. Davis, Manager of Committees on Publication said: "The response has been most gratifying. We are receiving reports of increased church and lecture attendance and increased use of our free Reading Rooms."

* * *

NEARLY 200 television stations in the United States and Canada have carried the filmed Christian Science TV programs, Mr. Davis reported. Radio programs in the series, he added, will continue to be broadcast by more than 800 stations throughout the world.

Healings in Christian Science of sin, disease, and other everyday problems were reported by The Christian Science Board of Lectureship in a report read by James Harry McReynolds of Dallas, Tex.

Reporting for the Trustees of The Christian Science Publishing Society, John H. Hoagland, Manager, said that testimonies submitted during the year for publication in the denomination's weekly, monthly, and quarterly religious periodicals included well-documented healings of cancer, tuberculosis, paralysis, blindness, deafness, carious bones and physical deformity.

* * *

OVER $250,000 a year has been expended to provide for the physical, mental, moral, and spiritual welfare of the armed forces, it was disclosed by Richard H. Chase, Manager of Christian Science Activities for the Armed Services.

A marked increase in sales of the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, Discoverer and Founder of Christian Science, was announced by the Trustees under her Will.

During the year many new branches of The Mother Church were established, it was reported, including those in Miranda, Australia; Barnstaple and Sidmouth, Devonshire, England; Dortmund and Trier, Germany; Helsinki, Finland; Asan Point, Guam; and Vlaardingen, Netherlands.

Massachusetts Man Named President Of Mother Church

Clifford A. Woodard of Cambridge, Mass., was on June 4th named President of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

Mr. Woodard's appointment was announced by The Christian Science Board of Directors at the Annual Meeting of the denomination attended by thousands of Christian Scientists from many parts of the world. The term of office is for one year.

An authorized teacher and practitioner of Christian Science, Mr. Woodard holds degrees from Harvard College, Harvard Graduate School of Arts and Sciences, and Harvard Law School.

A native of Warren, Pa., he became interested in Christian Science through a healing received as a boy. He joined The Mother Church in 1908 and has been active in various capacities in the Christian Science movement for many years. (Ch

Announce Fund Drive Results At Our Saviour Victory Dinner

Members of the congregation of Our Saviour United Lutheran church of Arlington Heights celebrated the closing of their current building fund drive with a victory dinner last Sunday at the junior high school. Guest speaker for the occasion was the Rev. A. Howard Weeg, secretary for evangelism for the Illinois snyod.

Vern Heim, chairman of the finance and visitation committee, and Gus Hermanson of the committee, revealed that results of the drive show that the mission congregation, organized in February, 1955 made pledges totaling $15,000 as the initial step toward the building of a church edifice on its property located at N. State and Olive st. This amount will be given over the period of a year, ending in May, 1957.

Ben Carns, chairman of the building committee, expressed the thanks of the congregation to the many men who have been active in the planning of the fund drive during the past few months, and to the 32 men on the teams which actually called on members in their homes. Now, according to Carns, the architectural committee, under the leadership of Theodore Meyer, will accelerate its work of converting the needs of the congregation into actual plans. (A

Civic News

Plans are beginning to shape up for the Prospect Meadows fair July 7 and 8 and the committees are busy making arrangements for the various booths. Saturday, July 7, Art Hern, Moby of television's Happy Pirates, clowns and a carousel will entertain the children and Sunday pony cart rides will be available.

The fourth of July parade committee so far consists of the following members: Joyce Ruther, Marie Stanke, Elaine Tanney and Lisa Wells. A few more volunteers, preferably from other sections of the Meadows, are needed. Anyone interested in helping to plan a parade for the children is to please contact Joyce Ruther.

Bill Maisel has accepted the term of director, which was created by Ralph Wills' moving.

Memorial Day Activities

Prospect Meadows park was the scene of the annual softball game between the teenaagers and the men of the Meadows, with the men winning after 7 innings of play by a score of 14 to 10. Playing for the teenagers were Barry and Larry North, Pat and Sandy Jenkins, Matt Gora, Teddy Gladson, Roger Kreft, Rinny Kramberr, Tim Lonegan, Judy McReynolds. Playing on the men's team were John McGivney, Toney Toner, Ray Roths, Don Tracy, Barney Stanke, Norman Valentine, Bob Chaiser, Bert Johnson, George Moldenhauer, Ray Larson and Evans Wells. Maryanne Doyle acted as scorekeeper and both teams were being cheered by many enthusiastic spectators.

Cub scout den 12 of Prospect Meadows was well represented in the Memorial day parade in Arlington Heights. Ed Moeller, den dad, and Pearl Moeller, future den mother, both in uniform, marched in the parade with the following members of their den: Richard Moeller, Gregory Wehrheim, Tom Hemesath, Bruce Blim, Bobby Webber and Dennis Battaglia.

Toney and Vi Toner and their sons entertained friends and relatives with an outdoor barbecue at their home Memorial day. Their guests were Mr. and Mrs. Russ Dunderson and sons, Randy and Bruce, Major and Mrs. Don Tracy and children, Wayne and Sandy, and Vi's mother, Mrs. Gladson, and son, Teddy.

Walter and Eve Ulan and their children, Tony and Dawn, took joy a family picnic together in the forest preserve.

Three families got together to prepare and enjoy an outdoor barbecue dinner last Wednesday at the home of Andy and Kay Bischoff. The group included the Bischoffs and their sons, Warren and Scott, Jack and Ginny Richardson and their children, Ronnie, Larry and Joanne, and Bob and Arlette Klein and their daughters, Diane and Sue.

Baseball School

John McGivney, Lee Abbinanti and Howard Johnson were on hand in the Prospect Meadows park Saturday morning when the boys arrived for their weekly baseball session. The men instructed the boys in the fundamentals of baseball and then divided the group into 2 teams to practice what they had learned. There is still room for more boys in the school. Boys between the ages of 8 and 12 are invited to come to the park Saturday mornings between 10 and 12 a.m.

Art Sepke, founder of the baseball school, suffered a broken nose last Sunday when he was struck by a ball while playing with the semi-pro Evanston ball club. Meadowites join Art's students in wishing him a speedy recovery.

Celebrate Anniversary

Ed and Pearl Moeller entertained in their home Friday evening to celebrate their 12th wedding anniversary. Their guests were Mr and Mrs. Gus Moeller of Addison, Mr. and Mrs. Gus Moeller of Addison, Mr. and Mrs. William Leseburg and Mr. and Mrs. Mel Rateike of Itasca.

Bob and Marge Blim and their son, Bruce spent the weekend in Ft. Wayne to attend the wedding of Marge's nephew, James Duffek, and Miss Rose Frecker. Other relatives from Berwyn staying in Ft. Wayne to attend the wedding and reception in the evening were the groom's parents, Mr. and Mrs. Marie Duffek,, and uncle and aunt, Mr. and Mrs. Kronquist, and daughters, Marlene and Charlene.

James and Marie Forsman, former Meadowites now living in Des Plaines, recently entertained Arnold and Ruth Middleton, Otto and Barbara Schlegel and Clifford and Gloria Little in their home. The Forsmans plan to build a new home in Glenview soon.

Arlette Klein entertained guests at a luncheon in her home last Tuesday. Present were Mrs. Violet Richter, Mrs. A. Heim, Mrs. H. Larson and Mrs. E. Greenleaf.

Also entertaining friends at a luncheon in her home last week was Kay Bischoff. Kay's guests were Miss Dorothy Wand, Miss Barbara Adrian and Mrs. Mable Pope. Sunday evening Andy and Kay Bischoff were hosts at dinner to the following relatives: Mrs. Lamberg and Miss Lois Lamberg of Glenview, Mr. and Mrs. Edward Dethke of Chicago and Mr. and Mrs. Francis Wilcox of Park Ridge.

Enjoying the evening playing tripoli in the home of John and Pat Wrath Saturday evening were Bert and Joyce Ruther and Chuck and Rita Durec.

Donna Walsh, daughter of Don and Dorothy Walsh was one of the performers when students of Miss Celia Hausam gave a piano recital Sunday afternoon in the First Methodist church in Arlington Heights.

Birthdays

Ray Larson celebrated his birthday May 31 with relatives and friends. Ray and Ethel and their children Linda, Terry and Raymie, were joined by Ethel's parents, Mr. and Mrs. Henry Haas of Des Plaines for a birthday supper and in the evening neighbors, Vic and Anne Incinelli and Ray and Nora Roths, joined the group to enjoy Ray's birthday cake.

John and Alma Berchmans entertained relatives and friends at a luncheon in their home last Sunday to celebrate Mrs. Berchmans' birthday. Mrs. Berchmans returned Saturday from a week's visit with her sisters, Mrs. Hilda Marine and Mrs. Signe Ericson in Denver, Colo. The same Saturday the Berchmans saw Mrs. Eva Moberg off on a 3-week visit with her sister-in-law, Mrs. Annie Moberg in Kalamazoo.

Tommy Hemesath celebrated his ninth birthday last Thursday with the members of his cub scout den. All the members of den 12 were present when the boys combined their meeting with a birthday celebration at Tommy's home.

Hello World

A son, Donald Brian, weighing 7 pounds 7 ounces, was born to Howard and Jean Kamps at 3 a.m. June 1 in Resurrection hospital.

In Sympathy

Meadowites extend condolances to the Incinelli family on the recent death of Anne's brother-in-law Joseph Folk.

Clubs

Elsie Leonhardt entertained members of her canasta club last Friday evening. Her guests for an evening of cards followed by refreshments were Peggy Orlowski, Lorrie Brazeau, Beth Meigel, Joyce LeBrun, Lillian Kunz, Betty Sabitt, Marie Stanke, Irma Ehlke, Joyce Hoglund and Marie Robotkay.

The After-Eight pinochle club met in the home of Marge Blim Thursday with the following members present: Kay Sepke, Ruby Polly, Joyce Ruther, Irma Ehlke and Rita Durec.

Bridge enthusiasts Bob and Marge Blim, Jim and Evelyn Cummins and Evans and Lisa Wells met in the home of Wayne and Carol Wilkins Tuesday to enjoy another evening playing cards.

Members of the Fatty club, Joyce LeBrun, Marie Stanke, Dolores Wadle and Kay Wehrheim, weighed in at the home of Joyce Ruther Tuesday morning to pay their dues and, for some, to pay their fines.

Out-of-Town Guests

Walter and Edna Vartanian have been happy to have their daughter, Lilyan Dayton and their granddaughter staying with them the past 2 weeks. Their son-in-law, Earl Dayton, arrived last Wednesday, visiting a few days before returning to New Carlisle Monday morning with his wife and daughter.

Guests for several days in the home of Bill and Marge Murdock were Bill's brother, Tom Murdock, and his family. Sunday the 2 families enjoyed dining out at the Howard Johnson restaurant.

Spending the weekend at the home of Stan and Ruby Polly was Ruby's mother, Mrs. Pearl Jost of Chicago. Sunday the Pollys and Mrs. Jost were guests in the home of Mr. and Mrs. E. Bianchi at a graduation dinner for their daughter, Carol.

FOR THE ANSWER TO THIS QUESTION

I should have spent the $10 for Insurance instead of for paint. When I got up in the morning, my newly painted boat and my outboard motor were gone — with the boat trailer! Would about $10 have insured the whole works for loss, theft, or damage?

IMPORTANT NOTICE

The Farmers Home Administration has just raised their top limit for this area to $30,000, which means that qualified buyers can now purchase farms up to $30,000 in price with as little as 10% down. To qualify you must be a tenant with personal property or an experienced farmer with cash to buy personal. Write us for our list of farms that you probably will be able to buy with 10% down—(40 years to pay at 4½% interest). In some instances you can pay more than $30,000 if you have the difference in cash between $27,000 and the selling price.

Don't Pay 'Fly' Tax Is Advice Of College Prof

A "fly tax" may cut about 15 per cent off your milk check this summer.

But you don't have to pay this "tax," says H. B. Petty, entomologist with the University of Illinois and the Natural History Survey.

* *

HERE IS HOW you can get out of it:

1. Keep barns and barnyards free of wet straw and decaying organic matter.
2. Spread manure twice a week.
3. Use a residual spray of methoxychlor, lindane or diazinon on the outside of buildings, fences, branches.
4. Spray your animals with pyrethrins or methoxychlor for temporary control.

PETTY points out that stable and horn flies collect most of this "fly tax." They differ from the house flies that gather in barns during the summer. House flies only irritate a cow and make sanitation difficult, but stable and horn flies pierce the cow's hide and suck her blood. The energy and blood that cows lose in fighting these flies — "fly tax" — could be converted into more milk and a bigger check.

Be sure to follow instructions for using insecticides, though. Read the labels and follow them closely to avoid residual problems and trouble in handling them. (Fm

Illinois Farmers Report Frost Damage To Crops

Farmers in the central and northern sections of Illinois report frost damage to their alfalfa, red clover and sweet clover.

The advice of plant pathologists at the University of Illinois college of agriculture is: "Don't get excited and don't plow it under."

J. W. Gerdemann, plant pathologist, believes the alfalfa and red clover will be able to shake off the effects of the frost damage. Sweet clover may be more seriously damaged.

* *

FROST THIS LATE in the season is rare, and most farmers have not had experience with frost damage on alfalfa and clover at this stage in its growth.

Although official temperatures have not reached the freezing point recently, they did range from 34 to 40 degrees on both May 16 and 20. Gerdemann points out that temperatures at plant height could be as much as 10 degrees lower.

On those 2 days, very low wind velocities and low humidity could have contributed to making field temperatures lower than the official readings.

Corn was not affected because it is in cultivated fields where the black dirt absorbs heat during the day and gives it off at night when air temperatures go down.

Frost damage reports have come from an area bounded by Arcola to the south and Freeport to the north.

* *

THE SYMPTOMS of frost damage on alfalfa are yellowing or whitening of the leaves. White shows extreme damage. On red clover, the leaves turn black, and on sweet clover, brown.

Damage is most severe in low spots. (FM

Farmland Over Assessed In Comparison To Urban Land

Farmlands are overassessed compared with urban real estate.

In 1953, 78 counties in Illinois were giving the farmer the axe on his farm assessment. In these 78 counties, ratios of rural to urban assessments ran as high as 211. This means that in some counties the farmer had his farmlands assessed twice as high as the lots and homes of his city friends.

In only 23 counties in the state was urban real estate assessed at the same ratio as farmlands, or higher. And in no county was the difference greater than 35 per cent.

* *

THE FOLLOWING table gives a picture of the assessment ratio of rural to urban property in the entire state:

Ratio in per cent	Number of counties
61- 70	1
71- 80	1
81- 90	9
91-100	12
101-110	10
111-120	19
121-130	13
131-140	12
141-150	8
151-160	4
161-170	4
171-180	4
181-190	0
191-200	2
201-210	1
211-220	1

The average assessment of farm property in all counties (except Cook) was 25 per cent higher than urban assessments.

For example, property with the same market value would be assessed at $15,000 in the city and $20,000 in the country.

All of these figures are based on a comparison of assessments with market prices. Market prices were obtained from a large number of actual sales of real estate.

* *

ANOTHER problem becomes apparent from a study of the assessments in one of these counties.

Better lands are assessed at a much lower ratio than poorer lands.

For example, in Champaign county, lands valued at $500 an acre (according to census date) were assessed at an average of only 47 per cent of their value, while lands valued at $300 an acre were assessed at 60 per cent of their value and $400 land at an average of 55 per cent.

It would appear that, as a temporary measure to meet the first problem, the state should establish separate multipliers for rural and urban property in order to equalize the tax burden. Legislation would be necessary to give such authority to the department of revenue.

TO SOLVE both problems over a period of years, counties should obtain assistance from persons trained and experienced in assessment of both urban and rural reality—with sufficient personnel.

)1 to help local assessors make a complete and equitable assessment and

2) to continuously gather and evaluate comparative assessment data as a basis for adjustments by area and township.

Farm Housing Loans Now Available

Funds for farm housing loans on dwellings and other farm service structures in Illinois have been made available, according to a statement by George H. Reuss, state director of the farmers home administration, Champaign.

Loans are available to erect, remodel and repair farm dwellings, essential farm service buildings and related structures to farm owners who do not have sufficient resources to provide such housing and who are unable through other satisfactory credit sources to provide such housing.

APLICANTS must be citizens of the United States, of legal age and possess a farm in agricultural production of such size that it will be recognized as a farm unit and not a rural residence.

These loans will bear interest at the rate of four per cent (4%) and will be made for the shortest period within which the borrower can reasonably be expected to repay them, but not to exceed 33 years. The loans will be secured by the farm on which the improvement is made.

APPLICATIONS and further information on farm housing loans may be secured at the local office of the Farmers Home Administration, Robert C. Becker, county supervisor for that agency said. Mr. Becker's office is located at 110½ E. Jackson st., Woodstock. (Fm

Find Mucosal Disease In 20 States' Cattle

In the 3 years since mucosal disease in cattle was first recognized in Iowa, it has been found in 20 states and Canada. At least 30 outbreak. have been observed in widely separated areas in Illinois.

Dr. Paul D. Beamer of the University of Illinois, who has attended several conferences on the subject in the past year, says veterinarians in about 15 states are conducting research on this highly fatal disease.

* *

MUCOSAL disease in Illinois has been most common in feedlot cattle. It attacks either sex and is found mostly in cattle six months to two years old.

Symptoms are loss of appetite, sudden onset of fever, discharges from the nose and eyes, sores about the nose and mouth and possible lameness. An especially noticeable symptom is profuse diarrhea, the droppings later becoming stained with blood.

Cause of mucosal disease is not fully known, but a virus is suspected. The disease is very similar to virus diarrheas found in New York and Indiana, and symptoms are similar to those of rinderpest. If you notice unexplained scouring in your herd, call a veterinarian to get an accurate diagnosis of the cause.

Sumptoms of muccosal disease last seven to 10 days and are usually followed by death. Ordinarily only one to three animals in a herd are infected, but occasionally death losses may run as high as 50 per cent of a herd.

DeKalb Crop And Weather Reporting Service Listed

Wide-spread general rains over the period from May 25 to May 29, covered almost the entire corn belt.

West central Illinois, which had been one of the driest spots, received rainfall ranging from 2 to 6 inches. In east central Illinois, Fisher in Champaign county received 9 inches. Colorado and southwest Missouri reported the first good rains in a long time—since 1951 in Missouri and for over a year in Colorado.

* * *

ALL OF THIS rainfall plus warm temperatures brought the corn crop along rapidly. Cultivation had already started in northern Iowa and southwestern Minnesota by Memorial Day. Nearly all corn was planted except in Northern Ohio, Michigan, northern Indiana and southern Illinois. Michigan and northern Ohio were especially slow, because of excessive rainfall, with only about 1/3 of the corn crop in.

From Tennessee to Minnesota, DeKalb seed corn crop observers agree on one thing—more soybeans are being seeded than ever before. This versatile crop can be planted after it is too late for corn and it can be planted and cultivated with corn machinery. It brings in a quick cash return with combine harvest in late September. An advance in market prices for beans to above $3.00 per bushel stimulated a lot of interest in 1956 planting.

Corn west of the Mississippi river is pretty much on a "hand to mouth" basis as far as moisture is concerned. Scattered rainfall has kept soil in excellent condition and germinated the not been replenished to any appreciable degree. If the rains stop, the corn crop could deteriorate very rapidly. (Fm

Hurry and carelessness causes more than half of the farm accidents. If you are operating any kind of farm machinery always stop it before making an adjustment. If history repeats itself there will be at least one or 2 fatal farm accidents within the next six months. Do not let it be you!

* * *

LATE research indicates that large doses of vitamin D hold much promise as a way to prevent milk fever in dairy cows.

* * *

MANY OF you will be spraying weeds and thisltes with 2-4,D within the next few weeks. If you are spraying near a tomato or soybean field use extra precautions because both tomatoes and soybeans are easily damaged by 2-4, D sprays.

If you are contemplating using a 2-4,D spray and these susceptible crops are nearb ybe sure to use a 2-4, Damine type. It is much less volatile and will not cause damage by drift. Also spray when the wind blows the spray away from the susceptible crops. It is important that you exercise these precautions.

To those of you that are using spray to kill weeds in your lawns use the same precautions. Do not hold the spray nozzle as close to the plant as possible. Do not let the 2-4, D blow on to your flowers or garden for it will damage them.

2-4, D is a selective weed killer, but it is not so selective that it will kill the weeds but not the crops. Another note of precaution is to mix the spray according to the directions on the label.

FEEDING green chopped forage in drylot makes use of all the forage that a pasture produces.

But pasturing lets the animal select the forage they want to eat and they make more efficient use of the amount they do eat.

Steers in each lot gained about 1 2/3 pounds to a head daily in a carefully controlled California test. Steers on pasture ate much less than the steers on chopped-forage, but the pasture forage had better hutritive value because of selective grazing.

When you have enough pasture, cattle will apparently gain just as well by grazing as by green chopped feeding. But if you are short of pasture, you can increase its carrying capacity by feeding it as green chopped forage.

Soil Moisture Shortage May Require Special Crops

The soil moisture shortage in parts of Illinois may result in a need for emergency crops to replace seedings that fail.

Also needed is a supplement permanent or rotation pasture, silage and hay fields. Sundangrass, an annual, vigorous, tall-growing plant related to the forage and grain sorghums, is one of the best supplementary or emergency crops.

The following facts have shown up in the extensive Sudangrass variety and management experiments carried out by the University of Illinois agronomy department.

The varieties Piper and Sweet perform best in Illinois.

Certified seed gives the best results. Sudangrass crosses freely with other sorghums. Some of these have a higher prussic acid precursor content than Sudangrass. Seed contaminated in this way may produce pastures that are more dangerous to livestock than if pure certified seed were used. Treating the seed with Ceresan M or Panogen is recommended to inhibit seedling diseases.

Sudangrass is a warm-weather crop and should not be planted before late May or early June.

* * *

Twenty to 25 pounds of seed per acre drilled or broadcast on a well-prepared seedbed usually gives the best stands.

Some farmers plant a mixture of Sudangrass and soybeans, in wihch case 1 to 1½ bushels of soybeans and 15 to 20 pounds of Sudangrass are commonly used. To lessen the possibility that the Sudangrass will crowd out the soybeans, the beans can be planted first and the Sudangrass broadcast and rotary-hoed in after the bean crop has emerged. If possible, seed should be placed 1 to 1½ inches deep.

When other nutrients are adequate, nitrogen may increase Sudangrass yields. Applications of 30 to 50 pounds of nitrogen per acre are suggested when maximum forage yields are needed and when the preceding crop was not a legume. Sometimes high applications of nitrogen, when other nutrients are low, increase the prussic acid precursor content.

Sudangrass may be used for pasture, hay, or silage. It will usually be ready for pasture 4 to 6 weeks after planting. Pasturing should, however, be delayed until the Sudangrass is at least 18 inches tall to reduce the danger of prussic acid poisoning. (FM

Allotment For Farms With No Wheat 3 Years

Farmers on land on which no wheat was seeded for grain for any of the year 1954, 1955, and 1956, may apply for a 1957 wheat acreage allotment, according to Carl M. Bormet, chairman of the Cook county agricultural stabilization and conservation committee.

To be considered for an allotment on a farm which had no wheat seeded for grain for any of those years, the farmer must apply in writing to his county ASC committee by August 31, 1956.

Blank application forms are available at the county ASC office for use in filing requests for allotments. (Fm

Avoid Haste In Your Kitchen Work

Allowing last-minute jobs to accumulate causes nervousness and carelessness which invariably result in accidents, says O. L. Hogsett, safety specialist at the University of Illinois.

To prevent this, start meals in plenty of time to avoid haste and confusion. On busy days when time is at a premium, a simple, easily prepared meal eliminates need for haste and reduces the threat of kitchen accidents.

WHEN YOU expect guests, plan the meal as far in advance as possible. To avoid last minute haste, plan to serve meats, salads and desserts that you can prepare in advance.

A good manager keeps a well-stocked reserve for unexpected guests; then she never loses her composure in such emergencies.

Just rmember the old saying, "Haste makes waste." (Fm

What Caused Low Hog Prices? Here's Answer

Average hog prices for barrows and gilts marketed at Chicago dropped from $19.59 per cwt. in June to $10.73 in December, 1955.

This was the most rapid decline ever recorded for any 6 month period in the United States.

Main factors accounting for this record decrease were over-production, competing meats, lack of consumer acceptance and the failure of retail pork prices to be reflected in live hog prices.

* * *

ONE OF THE major reasons for the decline was increased marketings of hogs duriing 1955. Total hog slaughter estimated at 80.5 million head was 12 per cent larger than in 1954 resulting in an average price drop of 29 per cent.

On the average, a 10 per cent change in production from one year to another during periods of stability in the general price level would be accompanied by a 15 to 17 per cent price change in the opposite direction. The drop in hog prices, therefore, was about 50 per cent greater than would usually be expected with a 12 per cent increase in marketings.

Other factors caused the remaining decrease. Consumer income spent for meat was close to 6 per cent during the 1920's and '30's but was down to 5.1 per cent in 1955. For hog producers, a more critical situation has developed — consumers are spending less of their meat dollar for pork.

* * *

FROM 1933 to 1947 expenditures for beef and pork were about equal. Since 1947, however, the amount spent for pork has dropped from a little over 3 per cent to a little less than 2 per cent, while beef expenditures have remained stable.

An ample supply of competing meats has not helped the hog producer either. Per capita consumption of beef increased from 55.3 pounds in 1951 to an all-time high of 81 pounds in 1955. During the same period, per capita pork comsumption decreased from 77.5 pounds to 66 pounds.

Marketing margins have also widened and less of the consumer's dollar was returned to the farmer. In 1950, the spread between what the packer paid for hogs and what he received for wholesale pork products was $4.44 per 100 pounds live weight. The margin widened gradually until in 1955, it was $5.62 or an increase of $1.18 per 100 pounds live weight. (Fm

Record Guernsey

A registered Guernesey cow, Rosewood Lady Willow, owned by W. H. Odlum, Roselle, has completed an official production record in the Advanced Registry division of the American Guernsey cattle club.

This record was for 11,933 pounds of milk and 605 pounds of fat, which is equal to 5500 quarts of high-quality milk.

"Willow" was a junior two year-old, met calving requirements and was milked two times daily for 365 days while on test.

This official production record was supervised by University of Illinois. (Fm

Happenings 10, 20, 30, 40, And 50 Years Ago This Week

50 Years Ago

June 8, 1906

The greatest attraction at Arlington Heights these days is L. W. Roehler's new $1000 Cadillac automobile, a handsome 20-horsepower touring car, rated to run 35 miles an hour, on straight, smooth roads. It is an ideal machine and are afraid of it, even at high runs so quietly that few horses speed. The Cadillacs are guaranteed equal to the best for endurance on long trips over all kinds of roads. Roehler has secured the agency for this territory and is exhibiting his machine and favoring his friends with a ride in his automobile. He is open for engagements to take parties of one to five persons, on journeys for business or pleasure, at most reasonable rates.

The editor hired L. W. Roehler to take us on a quick business trip last Saturday afternoon. The first run was from the Herald office to Hon. Henry L. Hertz country home on the banks of the O'Plaine river, 4 miles east in 12 minutes. We made many spurts at the rate of a mile in less than three minutes. It was a success every way.

Monday we started again after 4 p.m., canvassed through Elk Grove and Bensenville to Addison and back via Itasca. The best time on this trip was two miles in 5 minutes, which is as fast as we care to ride in the open air. Roehler has never yet sped his machine on its fastest gear.

The Herald force will reverse the old addage, "While the cat's away the mice will play," for this week we all have to hustle to get out a good paper, while the editor is attending the Illinois Press Association in Chicago. We don't want him to fail, so work early and late to keep our home paper going.

Mt. Prospect is growing rapidly. Three weddings here this week and others soon to follow. If they keep it up, our population will more than double within 5 years. That's a good ratio.

Wheeling — Ed Johnson broke a collar bone while playing drop the handkerchief with the girls, Friday. It is dangerous to fool with the girls at a picnic, Ed.

Frank Haban had a bad accident Sunday. He met an automobile on the road. His colt took fright and kicked his cart into all kinds of pieces.

Palatine — If you hav delayed getting yourself or the girls a runabout hat, you should now take advantage of my 25 per cent discount rate. — Mrs. Helen E. Wilson.

A certain party, who is suspected, has been sending letters to certain parties of a neighboring village, with a false signature, using the signature of a very respectable young lady, of Palatine. The party is again warned or the law will take its hold.

Are the C & N W Ry. Officials partial to dry towns or why do they do to much more for the dry towns of Woodstock, Crystal Lake, Barrington and Des Plaines giving them new depots with all modern improvements and beautiful surroundings that attract visitors and make them want to locate in such places while they leave Palatine and Arlington Heights where the Co. gets equally or better business patronage in the same old background. We don't even have electric lights but still use the old oil lamps in and about the depots. They did not pay anything towards our water works and sewer systems but receive the benefits from both.

The Palatine village board transacted a lot of business Monday evening not the least important being the passage of the water main extension ordinances for Chicago ave. and Hale st. that were defeated a month ago by a vote of 4 to 2 and against which some property owners strongly objected. By the passage of these ordinances, the board has taken a definite stand against private mains and it is a safe bet that there will be no more permitted. Private water mains and sewers are relics of old days and are only a make shift which ought never to have been permitted and the village board is unanimous in stand to stamp out the evil.

Wheeling — To people fond of figures it will be interesting to know that Sunday afternoon 109 automobiles were counted going down Milwaukee ave. This was about the busiest time but figuring those going on Dundee road, it seems a guess made that about 4,000 automobiles passed through Wheeling would be pretty close.

Chas. O. Petterson says this is the last week he will do horseshoeing and blacksmithing at his shop in Arlington Heights. He will go to Chicago and learn all the latest ideas about automobiles, serving his apprenticeship at the Staver Garage while Contractors Meyer and Schulenburg enlarge and remodel his shop into an up-to-date auto garage and repair and paint shops, then he will employ a force of skilled workmen, who will stay sober and do the job right.

Miss M. Alice Styles, the music teacher, youngest sister of Mrs. H. C. Paddock, died at her home at Momence, Ill. Thursday night.

Fred Redicker has taken the agency for the King automobiles. He received his first car, a King "8" last Friday and is ready to demonstrate to his friends. This is a high class up-to-date car at a moderate price.

Among the graduates of Northwestern University this month will be Miss Donna Marie Volz, daughter of Mr. and Mrs. George Volz of Arlington Heights. Miss Volz has the distinction of earning her graduation within 3 years, after entering the university as a freshman.

Thursday the public welfare committee directed by the district nurse, Miss Waterman, put on a Health Parade.

If you have any children in the public school, they were in it. There were about four hundred children who were in symbolic costumes and marched in flanks made up in irregular groups. The procession passed the home of their honored and beloved primary teacher, Miss Kunie Horcher, who was delighted to see them.

They returned to the school playground where the many decorated May Poles with their ribbons waited the coming of the queen. She came, a pretty fairy in her chariot drawn by her devoted pages — Syliva Brix, Annie Stieger, Florence Lorenzen, Gladys Bradley. The queen, Miss Dorothy Helm. The health fairy, Louis Roth attended by the fresh air fairies, Shirley Laurine and Miriam Noyes, surrounded by the health crusaders, the sunshine brigade, and all the other costumed valiant aids to health.

Prohibition and the income tax occupied the daily thoughts of the American business man. Then along came evolution, which took his mind off other worries for a while. But now the parking problem worries him day and night—and there seems to be no solution. To park or not to park — that is the question.

The Palatine township high school will lose a good instructor this year, but will also gain one. Miss Olson after some hesitancy about giving up the teaching profession has accepted the offer of C. V. Julian to become his assistant editor of Standoline, the monthly magazine issued by the Standard Oil Co.

H. C. Paddock & Sons have job press, which is considered the added to their equipment a Kelly very "latest" in job printing press equipment.

I notice we are having some very — what shall I say — ambitiously planned houses built in Arlington Heights on 66 or 50 foot lots that will never show at their real value for lack of space about them. This is the natural repression of family life.

20 Years Ago

June 5, 1926

Arlington Heights does not intend to sit idly by and allow certain municipalities to walk off with the lion's share of the Sweitzer redemption fund, while other villages receive only a small percentage. Attorney Hugo J. Thal reported to the Arlington Heights village board Monday night that in his belief the present county clerk was liable for disbursements from a fund that he knew or should have known, was not ample enough to pay all of the claims of the various taxing bodies against said fund. Mr. Thal said, "Some villages received practically all of their share of said fund, to the detriment of other villages. I am in favor of starting a suit against the present county clerk for the wrongful disbursement of funds." The county clerk is now preparing a statement of the amount due all of the villages from the $700,000 fund, of which only $250,000 remains.

A wire fence with posts set in cement is enclosing the athletic field at the Palatine high school. The WPA has given approval to the furnishing of the fence material, representing $800 in money several months ago, but it was feared that the approval had become lost in the files until a truck made the delivery this week.

The young people are using the recently completed tennis courts. The Palatine high school has made good use of the WPA and has saved the taxpayers many thousands of dollars the past two years by their acceptance of the available projects. Among the latest, is the painting of the exterior parts of the building.

Rev. John Kalwitz, for six years pastor of Evangelical Community church of Medford, Wis. and Peace Evangelical church of Dorchester, Wis., took up his new duties in St. John Evangelical church in Arlington Heights.

Miss Viola Botterman, daughter of Mr. and Mrs. Herman Botterman, and Mr. Albert Straub were united in marriage May 30.

Mt. Prospect loses another old-time resident in the passing of Mr. Fred Mecklenburg, age 70, who died suddenly Sunday noon.

Miss Marion Haines of Park Ridge was united in marriage to Mr. John Angeloff of Arlington Heights May 30.

When workmen were seen taking down the railroad's water tank at the Brockway st. crossing this week people began to think that another old Palatine landmark was about to be demolished.

But it was a false hope. The workmen are merely rebuilding the tank, an operation which takes place occasionally.

Some of the old timers remember the disaster that happened nearly, fifty years ago when the old water tank collapsed killing and injuring several young men. That accident was one of the sensations of the time. That was before automobile accidents made the taking of human life just another incident and before Palatine became notorious for its deaths at railroad crossings.

That C & N W water tank has played an important part in Palatine history. In the early days it was one of the few water tanks along the line and many trains stopped daily for water, both passenger and freight. After the installation of the Palatine water works the railroad was the largest consumer of water, which the town had and the railroad water bill alone used to be enough to pay for the salary of the pumping station engineer.

With the advent of the depression the railroad cut down on their consumption of water in Palatine until practically no trains stopped for water. The road required the engineers to take water in as far as possible at company owned wells so Palatine water department lost their best customer.

One of the first airplanes to be hangered and serviced at the Arlington Heights airport when it is released for civilian operation, is owned by the Bishop Publishing Company of Chicago The airplane will be piloted by Robert B. Bishop, an executive of the firm and a resident of Arlington Heights.

Local enthusiasm for the proposed Arlington Heights municipal airport is growing. Local people who were lukewarm on the subject two weeks ago have become boosters for the plan. The Chamber of Commerce has officially asked the state to pass up its priority to the field. Upon the receipt of such release the Arlington men will make a similiar request of Cook county.

Rev. Harry C. Fricke, who leaves the pastorate of St. Peter Lutheran church, Arlington Heights, this week is taking up duties in a new charge in South Cicero. Nineteen years ago he introduced regular English services into St. Peter church. His activity resulted in active Luther Leagues, the organization of a Sunday school, the formation of the Welcome Club, Mothers' Club and the Men's Club.

On Saturday, June 15, voters of Arlington Heights Township High School District 214 will be called upon to approve a bond issue in the amount of $260,000 to cover the erection of a critically needed addition to the present building.

June weddings included Shirley Behrens and Rodney Lind, Elizabeth Stippick and Donald Kiehl, Mildred Mohr and Edward Kempke and Loretta Kehe and Wilbert Becker.

The E. J. Welflin General Merchandise store, Wheeling, changed hands this week when Donald E. Welflin took over the business from his father. The Welflin store has served the community since 1912 when Mr. Welflin purchased the store from J. A. Schninke.

After seven years Mt. Prospect finances are out of the red. That was the good news at Tuesday night's meeting of the village board.

Dr. Elmer Gieske, for many year Wheeling veterinarian, passed away Wednesday afternoon.

Palatine Consolidated School District No. 15, will start the next school year in September on a strictly consolidated plan. Until a school buildings will be siectednter new school building is erected the present school buildings will be maintained but the instruction of pupils will be on a plan that will eliminate crowded conditions and give the pupils a real educational program.

Jane, Joan and Jean, the triplet daughters of Mr. and Mrs. Henry Parisek of Keeneyville, took the first big event in their lives in stride last Sunday night when they received their grade school diplomas at the St. Isadore's exercises. Because of their being identical triplets, they have attracted a great deal of attention since their birth. There are seven other children in the family.

SUNDAY DRIVING IN THE NORTHWEST COUNTRYSIDE can be a pleasant relaxing diversion—but off the heavily traveled main highways.

Few people in the suburbs seem to be familiar with the opportunity for an interesting day's jaunt on the black top and crushed rock roads. On balmy Sundays, when the 4-lane highways are crowded with slow moving traffic, the byways are open and clear. You may drive at your own speed, enjoying the change of landscape as you leisurely roll along or pull off the road to admire wild flowers or watch for birds without creating a traffic jam.

Secondary roads serve all parts of the northwest and are the only means of reaching many interesting back areas. In places they follow trails used by Indians and pioneers. They run over hill and dale to remote sections where early settlers built their farmsteads and elsewhere they wind through woodlands occupied by country estates.

A 45-mile tour over back roads may be started at the junction of Camp McDonald rd .and the Des Plaines River rd., just south of where the River rd. joins Milwaukee ave. (Route 21). The route is a loop and leads through rolling countryside, partly wooded, past modern dairy farms and estates, country clubs, lakes, district schools and old churches and cemeteries.

THE FENCE POST

Little Barking

A faithful dog will bark to warn his master of intrusions, and myself, like other minor servants in the House of the Lord, should do a little barking when they see some humans trespassing on the rights of other humans.

In the question of expanding the forest preserve in Elk Grove into open fields, we should be given some logical answers as to its need, reason and final goal.

Would not the continual practice of annexing more and more land finally lead into a police county in which the political machine would be the undisputed power, bought with tax money?

JUST BECAUSE there is a surplus of tax money on hand is no excuse to confiscate a farmer's land and home nor can it be constitutional or lawful.

With the vast slum clearance going on in Chicago. is there still a need for a forest preserve?

Unrighteous legislation can never be regarded as being lawful and if not corrected in time will have a bad ending. A fact that some of the past European royalty and dictators found out too late to save themselves and some of their followers. A transgression against humans is also a transgression against God.

There are many ways in which this surplus tax money could be used to better advantage.

1. Reduce taxes.
2. Reforest all the unsightly waste land now within the forest preserve.
3. Build up the banks on the Des Plaines and other rivers and eliminate all of the mosquito breeding sloughs.
4. Help out with highway construction through forest preserve land.
5. Put men to work who will show some results for their wages, thereby keeping prosperity on top.

SINCE THE forest preserve is tax supported there should be from time to time a published accounting as to the administrative and labor cost per acre per annum.

Why could not such valuable forest land be made self supporting and give more pleasure for God and humans to look at? Personally I don't believe that God is ready to give his forests back to the animals.

Why not relinquish some of the open ground in the forest preserve needed for the Elk Grove school, at the price paid for it? It is a genuine public need.

Hoover's Interest

We would like to thank John Hoover, member of the board of trustees, Arlington Heights, for the interest he has shown in Rolling Meadows' drive to raise funds for fire equipment Mr. Hoover informed a member of the carnival committee that the recent refusal by certain business interests to allow Rolling Meadows to park a 1956 car and solicit donations could well be reversed by the village board.

Mr. HOOVER, and many other residents of Arlington Heights, were none to pleased with the attitude taken by one person representing the business interests of that city. That person's flat denial of permission cast grave doubts as to the validity of Arlington Height's motto, "City of Friendly Neighbors."

However, the prompt interest of Mr. Hoover and many others show that Arlington Heights' motto is far from dead.

Correction Of Facts

On Thursday, March 1, 1956, your newspaper, Palatine Enterprise, printed an article about an auto accident in which my husband was involved. Several statements in the article were not true. We feel sure you would want to print the true facts.

My husband's car was struck on the right side by the truck. (The article said the car struck the truck.)

Only one of the 2 boys in the truck was injured. The other was examined and released from the hospital immediately.

MY HUSBAND'S condition on that Wednesday morning was not "satisfactory," but "critical" for some time.

The article neglected to mention that the charge of "reckless homicide" was a technical one, which was placed against the surviving driver, who happened to be my husband. Had the tables been turned, the driver of the truck would have been so charged.

Since the accident, the authorities have ruled that my husband was not to blame in any way. In fairness, I think it only proper that the truth be told.

Buck Passers

Well, I'll tell you—you just can't hardly find them kind of buck passers no more. I refer to the "public apathy" that I must have.

Two years ago, I volunteered for civil defense, as did my husband, and we ain't never heard one word from Mrs. Peters since (she all but jumped through the phone at me when I volunteered our services).

THERE SURE was one thing I was glad to read in your paper — and that is that the public library has been designated as an emergency hospital. Now that was forsighted thinking! Then after the bomb hits, those who are lucky enough to get to the hospital can always read up on what they should have done.

But what really did worry me was "the virtual absence of any civil defense training in the grade schools" — now that's a good place to start! Nothing I would like better than having my 6-year-old come home and tell me what to do in a national emergency.

Well, anyway, I'd probably be better informed than I am now. Maybe more confused, but better informed!

I WOULD SAY that it is about time our esteemed village board and mayor took a hand or at least checked on what the left hand is doing.

Thank you, Mr. Paddock, for placing the civil defense report in with the obituaries. That's sure where it belongs as of today.

JUST from Patty McArdle AROUND THE CORNER

In deference to a harried mother whose column was "massacred" by the "correction-putter-inner" Paddock Publications is reprinting last week's column by Patty McArdle.

Dear Peg:

He's beautiful! He's healthy! And he's as sweet and cuddly as a baby can be! We adore our young son. As you might expect, after keeping us waiting three extra weeks, when he finally came, he came so fast that we scarcely made it to the hospital! I guess I couldn't believe that it was actually happening to me and not until the young fellow gave me absolutely no doubt that his arrival was impending, did I screech, "Bob! Let's go! Now!"

Poor Bob scrambled sleepily to his feet from the couch where he'd been dozing and started to fumble for the keys in his pocket.

In a state of utter confusion, I grabbed my coat, stuck my lipstick and comb into my purse and, still in houseslippers and without the suitcase, fled for the back door. As we left, I could hear Mother talking excitedly into the phone, "They're leaving right now, Dr. Solomon! You'll have to hurry! They're going out the door right now! I think she's going to have the baby very soon!"

Fortunately, we live only 6 blocks from the hospital—but each block seemed like a mile early Sunday morning.

We pulled up to the ambulance entrance—expecting, for some reason, that door to be the most likely to be open. Well, they weren't expecting any ambulances so that door was locked. We rushed around the corner of the building to the front door and were met just inside by a poor tired doctor, who I'm sure was on his way home. He took one arm and Bob took the other and the three of us managed somehow to get to the elevator and up to the maternity floor.

★ ★ ★

I THINK MY FAVORITE obstetrician, Dr. Solomon, must sleep in his clothes, otherwise I don't see how he ever arrived at the hospital from the distance he lives in time to deliver the baby. But, within just a few minutes after I reached the delivery room, there he was coming through the door. With a wonderful sense of relief, I knew everything would be all right now and I guess our little "Buddy" did too, waiting only for Dr. Solomon to quickly change clothes—he arrived! It was 1:25 a. m. when we walked (I should say ran) through the front door of the hospital and it was 1:45 a. m. when Robert Patrick McArdle III said "Hello" to the world.

As you know, life in the hospital is not exactly restful, but it is relaxing.

There may be noise, activity and babies crying (I'm right across from the nursery), but it's all noise, activity and babies crying that someone else has to take care of—not you, you can always shut your door and stick your nose in a book. The food is delicious. One of my favorite pastimes each morning is encircling my choice of food for each meal from the selections on the menu for the following day. I'll never lose my excess poundage (of which there is much—despite Dr.'s admonitions) while I'm in this hospital!

★ ★ ★

I'M GETTING VERY ANXIOUS to go home and I know Megan and Bridget are much more anxious to have us get home. Mother brought them over several times to stand in the yard below my second floor window and say "Hello." Each time, they asked me to bring the baby to the window (that request would really "throw" the nurses) and can't understand why I'm spending so much time lying around in the hospital, when I just went there "to get the baby."

I just visited with our baby again—and I can't resist writing him a note:

To My Son

How can anything so tiny as you, sleeping here on my shoulder,
Fill my heart so full of love and tenderness?
And how can you so small make me feel so needed and loved?
Little son, with your head like warm velvet nestled against my cheek,
What are you dreaming?
Is it of where you have been—of stardust and angels—
Or where you are going—of woodlands and brooks?
Do you know, little one, you're the miracle of love—
The miracle of a triangle affair—
The love that flows through a husband and wife to God.

My love,
Patty.

QUITE CONTRARY

BY MARY

We wonder if we are the only large family in the world who play games on any motor trip that is more than three blocks in length. It isn't that the family is so game mad, although they are, it is just that it takes their little minds off each other.

It keeps such remarks as who is taking up more than her share of room in the back seat, whose feet have churlishly trod on whose feet and why does the youngest member of the family get to ride in front anyway, from getting to the point where blows are exchanged.

Counting dogs, cats, sheep and such has begun to pall. We can understand why. Also seeing which one can get the most station wagons listed at a point a wagon is too easy. Everyone and his uncle now has a station wagon.

The new game is sort of a round robin of commercials. Each one has to give in turn a singing commercial seen on TV. This is a game at which our youngest excels as she sees more and has a retentive memory. Isn't that just dandy? We can hear her now crooning to a teacher that he or she should light up a Lucky, it's light up time. We'll all be so proud.

Today we got to thinking about ads in general and if we should just go all out and believe everything they say. Isn't there some kind of law that says that a company may not misrepresent a product?

For instance, one of the liquid detergents says that it, all by its itty self, will take the work right out of dishwashing. In fact, when we went to use some the other night our youngest was hurt that we ran the dishcloth over the dirty plates. It was not necessary. It is our studied conclusion that nothing outside of carbolic acid will remove lamb fat from a plate without a swish or two of something besides L-X.

Then there are the dog food ads which always picture Rover leaping happily at his little master shouting at the top of his lungs (the dog that is) that he wants his Pard. Nothing, Rover goes on to say, will do but that dog food and get it now.

We figure that any dog that is bright enough to talk can jolly well go and get his own dog food and pay for it too. Who was his servant last year, we would like to know?

That beautiful bride and groom, we discover, are being married solely on the strength of their mutual passion for a certain cola drink that keeps them both lean as greyhounds. Brother, what a marriage that will turn out to be as they go burping happily through life.

The mental picture has us all unnerved. We had better go and throw our dishes in some L-X and see what happens this time.
